While attending mass last Sunday, I noticed a holder on a table near the entrance marked, "ICE-Immigration" and noticed the three stacks of colored cards. Trying to determine if this is an isolated situation or a common occurrence in other parish churches. Will be appearing on Neil Covuto' s show this afternoon to take on the Mayor of Chicago' s suit against DOJ. At least he is consistent in his expectations that he does not want to be held accountable to the criteria for being awarded Byrne Grant monies much like he doesn' t want illegal immigrants to be held accountable for following our immigration laws. The law is the law and the rules are the rules!
