

### **What you need to know**

If there's one thing I want you to get from these writings, it's that White birth rates must change. Everyday the White population becomes fewer in number. To maintain a population the people must achieve a birth rate that reaches replacement fertility levels, in the western world that is about 2.06 births per woman.

[en.wikipedia.org/wiki/List\\_of\\_sovereign\\_states\\_and\\_dependencies\\_by\\_total\\_fertility\\_rate](https://en.wikipedia.org/wiki/List_of_sovereign_states_and_dependencies_by_total_fertility_rate)

The ONLY White country that reaches these levels is Argentina, at 2.247.

But not in Europe, not in the rest of the Americas, not in Australia or New Zealand. White people are failing to reproduce, failing to create families, failing to have children. But despite this sub-replacement fertility rate, the population in the West is increasing rapidly.

How is this possible?

Mass immigration and the higher fertility rates of the immigrants themselves are causing this increase in population. We are experiencing an invasion on a level never seen before in history. Millions of people pouring across our borders, legally. Invited by the state and corporate entities to replace the White people who have failed to reproduce, failed to create the cheap

labor, failed to create new consumers and tax base that the corporations and states need to have to thrive.

This crisis of mass immigration and sub-replacement fertility is an assault on the European people that, if not combated, will ultimately result in the complete racial and cultural replacement of the European people.

To see this in full effect, you only have to look at the population statistics in Western nations for the year 2050.

[List of countries by future population \(United Nations, medium fertility variant\)](#)

In 2050, despite the ongoing effect of sub-replacement fertility, the population figures show that the population does not decrease inline with the sub-replacement fertility levels, but actually maintains and, even in many White nations, rapidly increases.

All through immigration.

This is ethnic replacement.

This is cultural replacement.

This is racial replacement.

**This is WHITE GENOCIDE.**

To return to replacement fertility levels is priority number one. But it is no simple task. There are myriad reasons behind the decline in fertility rates and the destruction of the traditional family unit.

We must inevitably correct the disaster of hedonistic, nihilistic individualism. But it will take some time, time we do not have due to the crisis of mass immigration. Due to mass immigration we lack the time scale required to enact the civilizational paradigm shift we need to undertake to return to health and prosperity. Mass immigration will disenfranchise us, subvert our nations, destroy our communities, destroy our ethnic ties, destroy our cultures, destroy our peoples. Long before low fertility levels ever could. Thus, before we deal with the fertility rates, we must deal with both the invaders within our lands and the invaders that seek to enter our lands.

We must crush immigration and deport those invaders already living on our soil. It is not just a matter of our prosperity, but the very survival of our people.

### **About me**

My name is Payton Gendron, I was born on June 20, 2003, which makes me 18 years old as of writing this. I am the sole perpetrator of the recent attempted mass shooting. I lived in Southern Tier, New York all my life with both my parents and 2 brothers. I believe I am ethnically white since my parent's nationalities are from north-western Europe and Italy. I graduated highschool with a regents diploma with advanced designation and am currently

enrolled in SUNY Broome with a major in Engineering Science. I would love to continue this but there are bigger problems I'm more concerned with. I am not a warfighter, nor have I been enrolled in any military or tactical training, so excuse any mistakes I make during my attack. I was never diagnosed with a mental disability or disorder, and I believe to be perfectly sane. Recently I took an MBTI test, as seen below:

And my most recent self pictures are below:

The truth is my personal life and experiences are of no value. I am simply a White man seeking to protect and serve my community, my people, my culture, and my race.

## **Questions and Answers**

### **Why did you decide to carry out the attack?**

To show to the replacers that as long as the White man lives, our land will never be theirs and they will never be safe from us.

To directly reduce immigration rates to European lands by intimidating and physically removing the replacers themselves.

To intimidate the replacers already living on our lands to emigrate back to their home countries.

To agitate the political enemies of my people into action, to cause them to overextend their own hand and experience the eventual and inevitable backlash as a result.

To incite violence, retaliation and further divide between the European people and the replacers currently occupying European soil.

To show the effect of direct action, lighting a path forward for those that wish to follow. A path for those that wish to free their ancestors lands from the replacers grasp and to be a beacon for those that wish to create a lasting culture, to tell them they are not alone.

To create an atmosphere of fear and change in which drastic, powerful and revolutionary action can occur.

To add momentum to the pendulum swings of history, further destabilizing and polarizing Western society in order to eventually destroy the current nihilistic, hedonistic, individualistic insanity that has taken control of Western thought.

Most of all it was to spread awareness to my fellow Whites about the real problems the West is facing, and to encourage further attacks that will eventually start the war that will save the Western world, save the White race and allow for humanity to progress into more advanced civilizations.

### **What do you want ?**

We must ensure the existence of our people and a future for white children.

### **Who do you represent?**

Millions of European and other ethno-nationalist peoples that wish to live in peace amongst their own people, living in their own lands, practicing their own traditions, and deciding the future of their own kind.

### **Are you a part of any political group or movement?**

I am not a direct member of any organization or group, though I support many.

### **Did the groups you support/are aligned with order or promote your attack?**

No, I am the sole perpetrator of this attack. I've had many influences from others but it was only me who decided to continue this.

**Do these groups hold power/who are the people in these groups?**

The total number of people in these organizations is in the millions, the total number of groups in the thousands. People from every walk of life, in every place of employment and field but disproportionately employed in military services and public service occupations. Unsurprisingly ethno-nationalists and nationalists seek employment in areas that serve their nations and community.

**Where did you get your current beliefs?**

Mostly from the internet. There was little to no influence on my personal beliefs by people I met in person. I read multiple sources of information from all ideologies and decided that my current one is most correct.

**Did you carry out the attack for fame?**

I carried this attack out so I can influence others into defending themselves from the replacers, becoming infamous was the only way.

**Why did you target those people?**

They are an obvious, visible, and large group of replacers. From a culture with higher fertility rates and strong, robust traditions that seek to occupy my peoples lands and ethnically replace my own people. It would have eased me if I knew all the blacks I would be killing were criminals or future criminals, but then I realized all black people are replacers just by existing in White countries.

**Over what timespan did you plan the attack?**

I've been passively preparing for this attack like every American does; by buying ammo, surplus military gear and shooting irregularly for a few years. It wasn't until the beginning of January 2022 that I actually got serious.

**Why did you choose this particular moment in time to attack?**

The best time to attack was yesterday, the next best time is today. Everyday that goes by without an attack, hundreds of more non-whites immigrate to White countries and spawn children. Waiting any longer will only make it more difficult to get non-whites out later on.

**Why did you choose firearms?**

Because they work, there are very few weapons that are easier to use and more effective at killing than firearms, especially the Bushmaster XM-15 I will be using. The effect it would have on social discourse, the extra media coverage they would provide, and the changes to gun laws that will be pushed will all help my case.

**Why did you choose (REDACTED) for the place of attack?**

(REDACTED) has the highest black population percentage (zip code \*\*\*\*\*) and isn't that far away. Plus NY has heavy gun laws so it would ease me if I knew that any legally armed civilian was limited to 10 round magazines or cucked firearms.

I replaced the name of the city to redacted because I'd prefer that the FBI and local police don't know until the attack has started. After the attack can somebody switch it over plz?

**Do you consider the attack an act of terrorism?**

By definition yes. But I believe it is a partisan action against an occupying force.

**Do you feel any remorse for the attack?**

I don't know I haven't done it yet stupid. But if I were to guess it would be yes.

**Did, or do you personally hate blacks?**

A black man or woman living in their homelands? No.

A black man or woman choosing to invade our lands, live on our soil, live on government support and attack and replace our people? Yes, I dislike them.

The only people I truly hate are the converts, those from our own people that turn their backs on their heritage, turn their backs on their cultures, turn their back on their traditions and become blood traitors to their own race. They are not completely hopeless however. I believe some can come back, so it's important to welcome them when they are awoken instead of shaming and ostracizing them.

**Did or do you personally hate foreigners or other cultures?**

No, many people and their cultures are great, but it's important to note that they can only stay great if they are separated from each other.

**Do you believe those you attacked were innocent?**

There is no non-white living on White lands that is innocent.

**Did you intend to survive the attack?**

Yes, but death was a definite possibility. These situations are chaotic and virtually impossible to control, no matter the planning. Survival was a better alternative to death in order to further spread my ideals by media coverage and to deplete resources from the state by my own imprisonment.

**Was the attack anti-immigration in origin?**

Yes, beyond all doubt, anti-immigration, anti-ethnic replacement and anti-cultural replacement.

**Was the attack anti-diversity in origin?**

No, the attack was not an attack on diversity, but an attack in the name of diversity.

To ensure that the peoples of the world remain true to their traditions and faiths and do not become watered down and corrupted by the influence of outsiders, they must be separate. The attack was to ensure a preservation of beauty, art and tradition. In my mind a rainbow is only beautiful due to its variety of colors. Mix the colors together and you destroy them all and they are gone forever and the end result is far from anything beautiful.

**Did you intend to kill police officers or other enforcers of the state?**

No. Although modern police officers exist to serve the “elite”, many of them are of decent character and it would make me very upset if I killed one. But only you know if I did.

**If you survived, did you intend to go to trial?**

Yes, and to plead guilty.

**Are you a Christian?**

No. I do not ask God for salvation by faith, nor do I confess my sins to Him. I personally believe there is no afterlife. I do however believe in and practice many Christian values.

**Are you a facsist?**

Yes, fascism is one of the only political ideologies that will unite Whites against the replacers. Since that is what I seek, calling me a facsist would be accurate.

**Are you a white supremacist?**

Yes, I would call myself a white supremacist, afterall, which race is responsible for the world we live in today? I believe the White race is superior in the brain to all other races.

**Are you racist?**

Yes I am racist because I believe in differences of capabilities between races.

**Are you intolerant?**

Sure. The last virtues of a dying nation are tolerance and apathy, and I want none of it.

**Are you an anti-semite?**

**YES!!** I wish all JEWS to HELL! Go back to hell where you came from DEMON!

But in reality, a Jew confined to Judea where he can't spread his people or beliefs is of no concern to me. It's important to note that with proper connection to the internet, that is impossible.

**Are you a neo-nazi?**

I support neo-nazism but I am not a member of any neo-nazi groups, you decide what that makes me.

**Are you a conservative?**

No, conservatism is corporatism in disguise, I want no part of it.

**Are you a homophobe/anti-LGBTQ?**

I believe that problems involving the LGB (drop the t) are very insignificant, if one is actually part of the LGB or LGB group and they are loyal to their people that is fine with me. Transgenderism however is a mental illness and should be addressed as such.

**Are you “right wing”?**

Depending on the definition, sure.

**Are you “left wing”?**

Depending on the definition, sure.

**Are you a socialist?**

Depending on the definition. Worker ownership of the means of production? It depends on who those workers are, their intentions, who currently owns the means of production, their intentions and who currently owns the state, and their intentions.

**By living in the United States, weren't you an immigrant yourself?**

Yes, and it seems we immigrants seem to bring a whole host of issues. Although the land technically belongs to its native people, The United States now belongs to Whites because removing Whites from all of the United States is impossible. They are simply rooted too deeply into the land. The same thing applies with other White countries that are not in Europe.

**Is there a particular person that radicalized you the most?**

Yes and his name is Brenton Harrison Tarrant. Brenton's livestream started everything you see here. Brenton started my real research into the problems with immigration and foreigners in our White lands, without his livestream I would likely have no idea about the real problems the West is facing.

**Were you taught violence and extremism by video games, music, literature, cinema?**

No, only the truth caused me to seek violence.

**Did you always hold these views?**

When I was 12 I was deep into communist ideology, talk to anyone from my old highschool and ask about me and you will hear that. From age 15 to 18 however, I consistently moved farther to the right. On the political compass I fall in the mild-moderate authoritarian left category, and I would prefer to be called a populist.

**Were your beliefs given to you by your family/friends/society etc?**

No, politics was never really discussed in my family or old friend groups.

**Who do you consider white?**

Those that are ethnically and culturally European.

**Who do you consider non-white?**

Those who are not ethnically and culturally European.

**Do you consider yourself a leader?**

No, just a partisan.

**Did/do you have ties to any other partisans/freedom fighters/ethno soldiers?**

I support many of those that take a stand against ethnic and cultural genocide. Brenton Tarrant, Patrick Crusius, John Earnest, Robert Bowers, Phillip Manshaus, Luca Traini, Anders Breivik, Dylann Roof, Anton Lundin Pettersson, Darren Osbourne etc.

I have never had any connections with other confirmed partisans though.

**If convicted, do you expect to stay in prison?**

Yes, I do wish to see how the world plays out after all. If I become old in the same prison I would only assume that we have passed the point of no return and will die out, and that I have failed. If we do rise up against the replacers, I expect that I will be let out and honored amongst my people.

**Why do you care so much about Europe, aren't you an American?**

The United States, just like the rest of the colonies of Europe, is simply an off-shoot of the European people. A finger on the hand of the body of Europe.

The origins of my language are European, my culture is European, my political beliefs are European, my philosophical beliefs are European, my identity is European and most importantly, my blood is European.

## **Answers to my people/supporters questions**

### **What are your views?**

I would prefer to call myself a populist. But you can call me an ethno-nationalist eco-fascist national socialist if you want, I wouldn't disagree with you.

### **Who do you support?**

Those that wish for a future for white children and the existence of our people.

### **Who do you follow?**

No one person in particular, I support many groups but I am a member of none.

### **Are you a fed/shill/mossad agent/false flag/patsy/imposter/antifa/“three letter agent glow so bright” ect?**

No, I don't think so. Who knows maybe it's the two shots of covid vaccine juice going through my bloodstream that's really making me do this.

It's healthy to have skepticism of course, but don't let your skepticism turn you away from people who support you.

### **What do you encourage us to do?**

Make plans, get training, form alliances, get equipped and then act. The time for meekness has long since passed, the time for a democratic solution has long since passed.

Men of the West must be men once more.

### **Is this your complete writings and views?**

My discord transcript should also be available, which is much less formal than this and covers some personal and other information. I would have put a lot more work into this manifesto if I had the time to.

## **Answers to detractors and to those that oppose my beliefs/methods**

### **Won't your attack do more harm than good?**

No, there isn't a successful, influential grand movement established just yet, and no leading organizations, so there is no great structure created that could be brought to harm.

As for how the public perceives us? Did they perceive us any differently after the attack than they did before?

### **Won't your attack result in calls for the removal of gun rights in the United States?**

Yes, that is the plan all along, you said you would fight to protect your rights and the constitution, soon will come the time.

### **You're a bigot, racist, xenophobe, nazi, fascist!**

Ok and?

### **Do you actually believe this garbage?**

Yes, I have never felt more sure about anything else.

### **Democracy is the only solution, why are you committing to force?**

Democracy is mob rule and the mob itself is ruled by our enemies. The global and corporate-run press controls them, the education system (long since fallen to the long march through the institutions carried out by the marxists) controls them, the state (long since heavily lost to its corporate backers) controls them and the anti-white media machine controls them.

Do not suffer under the delusion of an effortless, riskless democratic victory.

Prepare for war, prepare for violence and prepare for risk, loss, struggle, death.

Force is the only path to power and the only path to true victory.

### **Violence isn't the answer, why are you using force?**

There is no nation in the world that wasn't founded by, or maintained by, the use of force. Force is power. History is the history of power. Violence is power and violence is the reality of history. Violence is the only way to make real change in the world. The reason why peaceful protests are allowed is because they don't make an actual difference.

### **What makes you think that you have all the answers?**

I don't, but I may have some. Take from my views that which works, discard that which does not. Victory is all that matters.

### **What makes you believe you can speak for a group?**

I speak for my views and my ideals, and those that support me. Some may agree with them, others won't.

**What makes you believe you are European, not just an American?**

I am a descendant of ethnic Europeans so I must be an ethnic European myself.

**What makes you believe there are racial differences and that those differences matter?**

Research and data. Haplogroups, phenotypes and globalized testing. I will try to explain many of these below.

**Why do you blame immigrants and not the capitalists?**

Both are the problem, and I would like to address the concept of hard and soft targets here. Hard targets are people with strong political powers, such as president's, prime ministers, judge's, media producers, and military leaders. Soft targets include the everyday man, with low, weak political power. To cleanse an area, both must be removed, one cannot only attack the blacks of Buffalo and expect the zog-bot government to fall as well, just as one cannot attack the zog-bot government and expect the blacks to fall. Both have to be addressed, I am simply attacking one at a time.

**Why attack immigrants when the Jews are the issue?**

Because they can be dealt with in time, but the high fertility replacers will destroy us now, it is a matter of survival we destroy them first.

**Why attack blacks if all high fertility immigrants are the issue?**

I will admit non-white hispanics are also replacers in the United States, and is also a problem White's will have to deal with. I can't possibly attack all groups at once so might as well target one.

**If you believe we need to correct the white birth rates, why didn't you start a family and do it yourself?**

Starting a large family will not solve this problem. This is simply an issue that I cannot solve that way because it wouldn't change anything. The replacers will continue replacing and the immigrants will continue immigrating.

**Children are always innocent, do you not think you are a monster for killing an innocent?**

Children of replacers do not stay children, they become adults and reproduce, creating more replacers to replace your people. They grow up and vote against your peoples own wishes, for the interests of their own people and identity. They grow up and take the potential homes of your people for themselves, they occupy positions of power, remove wealth and destroy social trust.

Any invader you kill, of any age, is one less enemy your children will have to face. Would you rather do the killing, or leave it to your children? Your grandchildren?

## **Was there a particular event or reason you decided to commit to a violent attack?**

Before I begin I will say that I was not born racist nor grew up to be racist. I simply became racist after I learned the truth.

I started browsing 4chan in May 2020 after extreme boredom, remember this was during the outbreak of covid. I would normally browse /k/ because I'm a gun nut and /out/ because I love the outdoors and I eventually wound up on /pol/. There I learned through infographics, shitposts, and memes that the White race is dying out, that blacks are disproportionately killing Whites, that the average black takes \$700,000 from tax-payers in their lifetime, and that the Jews and the elite were behind this. From there, I also found other sites, like worldtruthvideos.website, dailyarchives.org, and dailystormer.cn where through data and exposure to real information I learned the truth. We are doomed by low birth rates and high rates of immigration. I never even saw this information until I found these sites, since mostly I would get my news from the front page of Reddit. I didn't care at the time, but as I learned more and more I realized how serious the situation was. Eventually I couldn't take it anymore, I told myself that eventually I was going to kill myself to escape this fate. My race was doomed and there was nothing I could do about it.

But then after browsing /pol/ one day I saw a short gif of a man walking into a building and shooting a shotgun through a dark hallway. I didn't think anything of it, but then I saw it again, and I looked up who this person was. I thought to myself, "Why did this person do it?"

That person was Brenton Tarrant, and after some searches I found the 17 minute livestream of him attacking the Al-Noor mosque. I eventually found his manifesto and I read it, and I found that I mostly agreed with him.

Finally I thought to myself, perhaps there is a chance that we can combat this. Maybe there is a chance that we can take control and prevent our genocide. Maybe we can combat the hedonistic, nihilistic, and individualist insanity that has taken control western thought. I then found other fighters, like Patrick Crucius, Anders Breivik, Dylann Roof, and John Earnest. These men fought for me and had the same goals I did. It was there I asked myself:

Why don't I do something?

Finally I felt awakened.

It was there I started to think about committing to an attack. To commit to violence.

I would follow Tarrant's lead and the attacks of so many others like him.

No longer would I just accept our replacement.

No longer would I just accept our genocide.

No longer will I willingly serve the people who are trying to end me and my race.

I would have to take the fight to the replacers myself.

## About Blacks

When referring to Blacks, I refer to those who are descendents of ethnic Africans, specifically Sub-Saharan Africans. All African-Americans fit in this category. I would exclude those that are 87.5% or higher of another race however.

Blacks are considered to be the same species of human as all other races, which is true since they can interbreed and have fertile children. But I would argue that they are a different subspecies of human. Whites and Blacks are separated by tens of thousands of years of evolution, and our genetic material is obviously very different. Physical factors are the most distinguishable difference, such as noticeable differences in skin pigmentation, fat storage, bone and skull shape and length, and differences in brain size, most notably in the prefrontal cortex.

Physical traits do not matter that much in the society of advanced human civilization. It has mattered in the past when humans had to plow the land and relied on their physical abilities to do work. But in this age of technology physical attributes matter less and less. I believe that the most important part of a human is the brain. The human brain is an amazing tool and is the reason why we as humans are predators of all and prey of none. It is obvious that people differ in cognitive abilities, this is undeniable and a proven fact. People with a “higher intelligence” often succeed in life by getting higher education and more professional careers, which often leads to greater contributions to human development in their lifetime. There is an undeniable difference between the brains of races and I will be explaining some of the differences below.

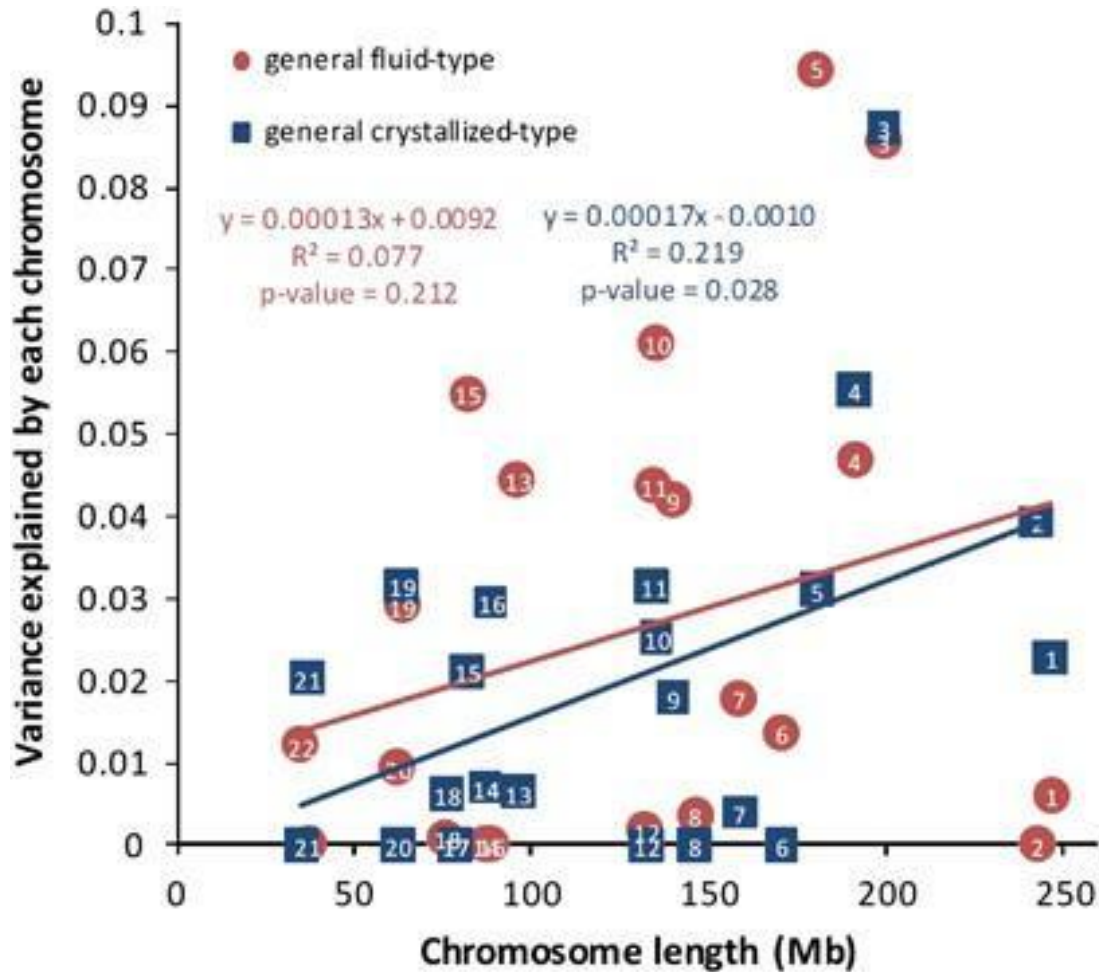

### 1: Intelligence and Genetics

#### The black and white IQ distributions in the NLSY, Version I

I will begin by saying that IQ tests are quite a controversial subject on measuring intelligence. Intelligence and mental ability is very abstract and hard to measure. IQ tests are often flawed when measuring people individually, but testing in large groups, such as the test above, is much more effective.

As seen in this famous bellgraph of White and Black distributions for IQ, the average White is about 1 standard deviation above the average black, or about 15 IQ points higher. How can this be you may ask? I will first go into data that directly references genetics as being a key factor.

<https://www.nature.com/articles/mp201185>.

Estimate of the proportion of variance explained by each chromosome for general fluid intelligence factor ( $g_f$ ) and crystallized intelligence ( $g_c$ ) in the combined dataset against chromosome length. In conclusion from the results of this study, intelligence can be highly heritable and polygenic.

## The latest findings on genetics and intelligence show that biological factors contribute to the gap in intelligence between European and African populations.

Recent studies have found more than 200 genetic variants that are present in at least one third of the European population [1], at least 100% more common in Europeans than Africans [2], known to increase intelligence with genome-wide statistical significance [3], and known to influence genes linked to the nervous system [4].

More specifically, genes linked to the hippocampus, brain, limbic system, central nervous system, cerebral cortex, cerebellum, parahippocampal gyrus, telencephalon, temporal lobe, brain stem, prosencephalon, rhombencephalon, occipital lobe, cerebellum, visual cortex, parietal lobe, retina, basal ganglia, neural stem cells, corpus striatum, and frontal lobe.

According to the list above, Europeans populations are much more likely to have specific genes that are linked to the brain than Africans. These genes have a direct influence on expected behavior and brain development, which may have factors in the individual's expected fluid and crystallized intelligence.

# THE TRUTH ABOUT RACE

## Myth #1: "Race has no biological basis"

## Myth #2: "Race is a social construct"

## Myth #3: "Race is only skin-deep"

## Myth #4: "Races have more variation within them than between them"

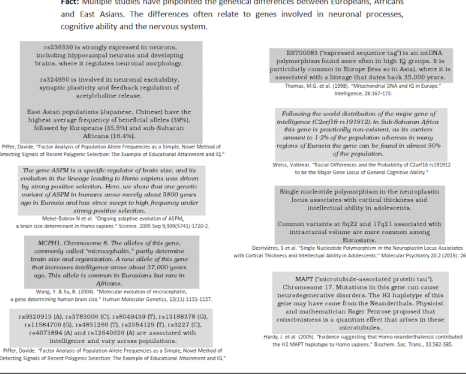

## Myth #5: "Racial differences in intelligence are explained by socio-economic factors"

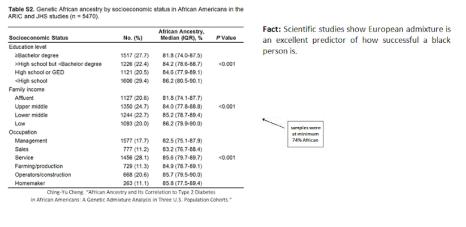

## Myth #6: "There isn't significant genetic distance between races"

## Myth #7: "There isn't qualitative genetic evidence for racial differences"

## Myth #8: "Individual successes disprove the relevance of race"

Below are more resources about genetics and intelligence.

-Most if not all psychological traits are substantially influenced by genetics.

<http://cdp.sagepub.com/content/13/4/148>

-All behavioral traits are substantially heritable. Evidence for this is ubiquitous.

<http://www.nature.com/mp/journal/v20/n1/full/mp2014105a.html>

-Over 2000 genes have been subject to recent (post out-of-Africa) evolution.

Europeans and Asians are subject to more recent evolution than Africans.

<http://www.nytimes.com/2010/07/20/science/20adapt.html>

-Violence is a heritable trait.

<http://www.pnas.org/content/103/16/6085.full>

-The Black-White IQ gap in America is equal to the gap in South Africa, even though SA is ruled by Blacks.

<http://psychology.uwo.ca/faculty/rushtonpdfs/ravensiii.pdf>

The world's thirty least intelligent countries (except for Haiti) are all in sub-Saharan Africa.

<http://journals.cambridge.org/action/displayAbstract?fromPage=online&aid=8492613&fileId=S1832427400010045>

In conclusion from all of this, blacks are pre disposed to have weaker brain ability due to genetics. This is important because it leads to the question if blacks should live in a western world built by Whites. The answer to this question is no, they simply are not built to live in the White world. This advanced human civilization that we have today can only be built by Whites, blacks simply hold us down.

## **2: Statistics and data**

Secondly I will be listing statistics and data. These problems are directly influenced by the individual's race. Emotional control and intelligence (for example ability to theorize the consequences of one's actions) are large factors. Blaming this solely on their environment they grew up in is foolish and ignorant of real facts and data.

I believe after my attack many of these links would be removed. I wonder (((who))) would be responsible for that?

Darker pigmented people average higher levels of aggression and sexual activity, and lower IQ.

## WHAT IS BLACK PRIVILEGE?

- Black privilege is being able to take pride in your race without fear of persecution.
- Black privilege is when people assume you are poor because of racism, not because you're lazy.
- Black privilege is being wealthy without people assuming your wealth was handed to you or that you exploited others.
- Black privilege is being able to commit violent crimes against another race without people assuming you are racist.
- Black privilege is being given 'affirmative action' which advantages you in jobs and colleges based on your skin tone.
- Black privilege is having the media cover up your race in the event of a black flash mob or a gruesome murder.
- Black privilege is being able to make insensitive comments about other races and not being called out on it.
- Black privilege is when people assume that the police pulled you over because of racism, not because you were speeding.
- Black privilege is being able to preserve and promote your culture and having your culture protected from criticism.
- Black privilege is being able to blame your shortcoming on racism.
- Black privilege is when people consider you to be superior at sports or 'better in bed' without it being considered racist.
- Black privilege is not having to be fearful of offending minorities.
- Black privilege is having the establishment lie to cover up problems in your community or protect you from criticism.
- Black privilege is when you can be over-represented in a certain field without people trying to amend it.
- Black privilege is having the government pander to your interests in order to get the 'black vote'.
- Black privilege is having Hollywood always present your race in a positive light.

THE INDISPURABLE FACTS ABOUT RACIAL EQUALITY

Throughout 6,000 years of recorded history the pure-blooded African has invented nothing. Not a written language, woven cloth, a calendar, a plow, a road, a bridge, a railway, a ship, a system of measurement, or even the wheel. His shelter has never progressed beyond the common mud hut, the construction of which a muskrat is capable.

Decide for yourself: Are you equal?

### **3: Summary**

Blacks are the most privileged race in the US and many western countries. But yet they say they are the most oppressed. What other race is given trillions of dollars of White taxpayer money to succeed, but yet fails and asks for more? What other race actively destroys their communities like they do?

Blacks on average have a lesser IQ due to restrictions of their brain development. They are prone to violence and common criminal activity. We must remove blacks from our western civilizations.

### **About Jews**

“The elite”, “The 1%”, “The bankers”, “The capitalists”, (((them))), “The marxist’s” they all refer to the same group: THE JEWS!! When referring to “the Jews” I don’t mean all ethnic or religious Jews. Some can be actually decent, and make significant progress to humanity. However many of them are not. Many are born to exploit the goyim and exploit the Earth for capital gain. They control the mainstream media, many government positions, and international and global banking. They advocate for leftist ideology, and spread propaganda among the right. They spread their lies through all forms of media. They want us to divide ourselves by race, instead of goy and non-goy, like they already do. “Remember the 6 million goyim!” The real war I’m advocating for is the gentiles vs the Jews. We outnumber them 100x, and they are not strong by themselves. But by their Jewish ways, they turn us against each other. When you realize this you will know that the Jews are the biggest problem the Western world has ever had. They must be called out and killed, if they are lucky they will be exiled. We can not show any sympathy towards them again.

### **1: The Jewish Ethnicity**

“Every Jew does not have these characteristics. Some do not have a proper Jewish nose, but real Jewish ears. Some do not have flat feet, but real Jewish eyes. Some Jews cannot be recognized at first glance. There are even some Jews with blond hair. If we want to be sure to recognize Jews, we must look carefully. But when one looks carefully, one can always tell it is a Jew.”

“Richard Krause, a smiling blond lad, goes to the board. He says: “One can recognize a Jew from his movements and behavior. The Jew moves his head back and forth. His gait is shuffling and unsteady. The Jew moves his hands when he talks. He “jabbbers.” His voice is often odd. He talks through his nose. Jews often have an unpleasant sweetish odor. If you have a good nose, you can smell the Jews.””

The Jews are not only a religion but also an ethnicity. This is because the Jews have separated themselves from the gentiles for thousands of years, usually interbreeding and mixing only with other Jews. Some have mixed with Whites and other races despite the Talmud and other Jewish laws, but they will nearly always remain a Jew. There are certain stereotypical

physical characteristics that are much more frequent in Jews than any other race, such as hooked noses, beady eyes, gravelly voices, shorter bodies and arms, and flat feet. But of course this phenotype can also be found in other Mediterranean people, such as Southern Italians, Turks, Greeks, and other Levantines such as the Druze, Lebanese, and Samaritans.

Psychological traits, such as social pathology, paranoia and schizophrenia, psychopathy, hoarding disorder, and loxism are also much more prevalent. Genetic diseases such as Bloom Syndrome, Canavan Disease, Cystic Fibrosis, Familial Dysautonomia, Fanconi Anemia Type C, Gaucher Disease, Glycogen Storage Disease Type 1a, Maple Syrup Urine Disease, Mucopolidosis IV (ML-IV), Niemann-Pick Disease Type A, Tay-Sachs Disease, and Walker-Warburg Syndrome are much more prevalent in Ashkenazi Jews than in other ethnicities.

All ethnic Jews are descendants of AMH and neanderthals of Western Asia, who then spread to Europe, Northern Africa, and Southwest Asia, where they then interbred with other early homo sapiens. Jews have a 3000 year history of inmarriage and isolation from other races and religions, giving them a very distinct genetic signature. Of course they are not all inbred, many interacted with others and created mixtures. Ashkenazi and Sephardi Jews for example tend to have many eastern and central European genes mixed into them. Ashkenazi Jews are mostly descendants of ethnic Europeans and the Edomites. While Sephardi Jews tend to be a mix between the Edomites and ethnic Western Europeans and North Africans. Ethnic Jews can be found by having a dominant mitochondrial haplogroup "J".

Keep in mind that the “J” haplogroup is also the dominant haplogroup with Arabs and other Levantines.

Jews can not be considered European, they may have a small or even large percentage of European DNA, but this does not change the point. They are simply not descendents of ethnic Europeans, in the same way that the ethnic Druze, Samaritans, and Lebanese of today can not be considered European.

But are the Jews White? This is where my opinion differs from many other White nationalists, because I believe that the modern Jews are ethnically White. Y DNA testing has shown that they originate from the Levant, and since I consider the other descendents of the Levant White, they may be considered racially White too.

## 2: The Jewish Religion

This is where I believe that most of the problems from Jews occur. Especially from Rabbinic Judaism. Here’s some quotes from the Talmud and other Jewish works that you may enjoy:

Moed Kattan 17a: “If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there.”

Erubin 21b: “Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell.”

Sanhedrin 59a: “A goy (gentile) who pries into The Law (Talmud) is guilty of death.”

Sanhedrin 58b: “If a heathen (gentile) hits a Jew, the gentile must be killed.”

Sanhedrin 57a: “A Jew need not pay a gentile (“Cuthean”) the wages owed him for work.”

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal"

Libbre David 37: "To communicate anything to a God about our religious relations would be equal to the killing of all Jews for if the Goyim knew what we teach about them, they would kill us openly."

Yebhamoth 11b: "Sexual intercourse with a little girl is permitted if she is three years of age."

Schanouth Hag. 6d: "Jews may swear falsely by use of subterfuge wording."

Hilkkoth Akum X1: "Do not save Goyim in danger of death."

Hilkkoth Akum X1: "Show no mercy to the Goyim."

Choschen Hamm 388, 15: "If it can be proven that someone has given money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth."

Choschen Hamm 266, 1: "A Jew may keep anything he finds which belongs to the Akum (Gentile). For he who returns lost property (to Gentiles) sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy however, to return lost property if it is done to honor the name of God, namely, if by so doing Christians will praise the Jews and look upon them as honorable people."

Szaaloth-Utszabot, The Book of Jore Dia 17: "A Jew should and must make a false oath when the Goyim asks if our books contain anything against them."

Baba Necia 114, 6: "The Jews are human beings but the nations of the world are not human beings but beasts."

Simeon Haddarsen, fol, 56-D: "When the Messiah comes every Jew will have 2800 slaves."

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Aboda Zarah 37a: "A Gentile girl who is three years old can be violated."

Gad, Shas 2:2: "A Jew may violate but not marry a non-Jewish girl."

Tosefta, Aboda Zara B. 5: “If a goy kills a goy or Jew, he is responsible, but if a Jew kills a goy, he is NOT responsible .”

Schulchan Aruch, Choszen Hamiszpat 388: “It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he denounces.”

Shulchan Aruch, Choszen Hamiszpat 348: “All property of other nations belongs to the Jewish nation, which consequently, is entitled to seize upon it without any scruples.”

Tosefta, Abda Zara VIII, 5: How to interpret the word “robbery”. A goy is forbidden to steal, rob, or take woman slaves ect. But a Jew is NOT forbidden to do all this to a goy.

Seph. Jp., 92, 1: “God has given the Jews power over the possessions and blood of all nations.”

Schulchan Aruch, Choszen Hamiszpat 156: “When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first Jew that passes has full right to seize it.”

Nedarim 23b: “He who desires that none of his vows made during the year be valid, let him stand at the beginning of the year and declare “Every vow which I may make in the future shall be null” His vows are then invalid.”

Baba Mezia 24a: “If a Jew finds an object lost by a gentile (“heathen”) it does not have to be returned. (Affirmed also in Baba Kamma 113b). Sanhedrin 76a. God will not spare a Jew who “marries his daughter to an old man or takes a wife for his infant son or returns a lost article to a Cuthean...””

Sanhedrin 57a: “When a Jew murders a gentile (“Cuthean) there will be no death penalty. What a Jew steals from a gentile he may keep.”

Baba Kamma 37b: “The gentiles are outside the protection of the law and God has “exposed their money to Israel.””

Baba Kamma 113a: “Jews may use lies (“subterfuges”) to circumvent a Gentile.”

Yebamoth 98a: “All gentile children are animals.”

Abodah Zarah 36b: “Gentile girls are in a state of niddah (filth) from birth.”

Abodah Zarah 22a-22b: “Gentiles prefer sex with cows.”

Abodah Zarah 26b: “Even the best of the Gentiles should be killed”

Sanhedrin 54b: “A Jew may have sex with a child as long as the child is less than nine years old.”

Kethuboth 11b: “When a grown-up man has intercourse with a little girl it is nothing.”

Yebamoth 59b: “A woman who had intercourse with a beast is eligible to marry a Jewish priest. A woman who has sex with a demon is also eligible to marry a Jewish Priest.”

Hagigah 27a: States that no rabbi can ever go to hell.

Baba Mezia 59b: “A rabbi defeats God and defeats Him. God admits the rabbi won the debate.”

Menahoth 43b-44a: “A Jewish man is obligated to say the following prayer every day: “Thank you God for not making me a gentile, woman, or slave.”

Gittin 57a: Says Jesus is in hell, being boiled in “hot excrement”.”

Sanhedrin 43a: Says Jesus (“Yeshu” and in Soncino footnote #6, Yeshu “the Nazarene”) was executed because he practiced sorcery: “It is taught on the eve of Passover Jesus was hung, and forty days before the the proclamation was made: Jesus is to be stoned to death because he has practiced sorcery and has landed the people to idolatry...He was an enticer and of such thou shall not pity or condone.””

Rosh Hashanah 17a: “Christians (minnim) and others who reject the Talmud will go to hell and be punished there for all generations”

Sanhedrin 90a: “Those who read the New Testament (“uncanonical books”) will have no portion in the world to come.”

Shabbath 116a: “Jews must destroy the books of the Christians”, i.e the New Testament

Minor Tractates. Soferim 15, Rule 10. This is the saying of Rabbi Simon ben Yohai: “Tob shebbe goyyim harog.” (“Even the best of the gentiles should all be killed”).

The Talmud, Oral Torah and other rabbinic texts are the root of all problems coming from Jews. The Talmud (or the rabbi's holy book) teaches Jews that they are God's chosen people and they are permitted to hate and exploit the goyim, and to allow pedophilia. Jews will tell you that they do not support these any more, but in reality this is what they all seek. "It was the law bro come on we're different now goy- I mean bro." The new world order that the Jews advocate for is one where they enslave all other goy's.

It's important to note that Jews are taught this by all other Jews. Their rabbi's, teachers, family and friends, they all preach this, subconsciously or not.

If the Jews did not have connections to Judaism, then I believe that they would be able to live in White countries such as the USA. But because of the irreversible rabbinic teachings they must be removed from all European and White countries.

**Text 1:** If Jews represent just 2% of the U.S. population, would it be odd for a media organization (whose parent company has a Jewish president and Jewish-majority of C-level executives) to also have a Jewish President and Jewish Vice-President, a Jewish-majority of Executive Vice Presidents, and a Lead Political Anchor, Chief Political Correspondent, Chief Political Analyst, Chief Political Director, Chief National Correspondent, and Chief Washington Correspondent—all 6 of its "Chief" anchor positions—who are all Jewish, as well as a majority—at least 13—of the network's currently-running shows having Jewish hosts? At the height of US slavery, 78% of slave owners were jewish. Since only 1.6% of the total population owned slaves, and jews made up 3.125% of the population, this means that 40% of jews owned slaves, while only 0.35% of whites owned slaves.

## JEWS will not be removed peacefully JEWS can only be removed by force

"We virtually get away with murder, and all the goy do is to talk about it, which is ineffective since we, the masters of propaganda, always publish a contradicting account. If the Aryan would review history and apply those lessons of the past, then the pen will be thrown down in disgust and the sword wielded in the heat of passion.

A recurrence to history would edify our minds and show us that the European countries solved their Jewish problem only by use of force. Thus far, we have escaped the sword... but our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. History has been written in blood, not with ink." ~ Harold Rosenthal, Administrative aide to Congressman Jacob Javits, his 1976's interview

BREITBART

PRINCE CHARLES URGES BRITS TO THINK OF MUHAMMAD THIS CHRISTMAS, SPEAKS OUT AGAINST 'AGGRESSIVE POPULISM'

Britain's Prince of Wales has spoken out on national radio in an appeal for persecuted Christians and minorities across the world, but the Royal also moved to criticise "populist groups".

Speaking on Thought for the Day, a short early morning slot on BBC Radio 4 dedicated to faith issues, the son of Britain's reigning Monarch urged listeners to think of persecuted religious figures — singling out Jesus Christ and Muhammad — this Christmas. He said:

Normally at Christmas we think of the Birth of our Lord Jesus Christ. I wonder though if this year we might remember how the story of the nativity unfolds, with the fleeing of the holy family to escape violent persecution. And we might also remember that when the prophet Muhammad migrated from Mecca to Medina he was seeking the freedom for himself and his followers to worship.

Whichever religious path we follow, the destination is the same — to value and respect the other person, accepting their rights to live out their peaceful response to the love of God.

The future King spent much of his short radio appearance discussing the persecution of Christians without going as far as to name the main source of this persecution — radical Islam. Referring to "mindless forms of extremism... which aim to eliminate all types of religious diversity", the Prince also mentioned the Yazidis who are coming under extreme persecution from Islamic State. Jews who have been leaving Europe in record numbers to escape Islamic persecution, and the Muslim Ahmadiyya who are treated as apostates by many mainstream Muslims.

Speaking of his recent interaction with persecuted Christians, Prince Charles said:

In London recently I met a Jesus protest from Syria... He told me of mass kidnappings in parts of Syria and Iraq and how he feared that Christians would be driven out more from the lands described in the Bible. He thought it quite possible there would be no Christians in Iraq in five years.

While he was speaking to promote the receiving of asylum seekers into Europe, the Prince also criticised what he called "populist" movements. Britain's Guardian newspaper claimed of the comments: "His address will be seen by some as a veiled reference to the election of Donald Trump in the US, the rise of the far right in Europe, and increasingly hostile attitudes to refugees in the UK."

The Prince said, implying a relationship between Europe's growing pro-border movement with European Fascism of the last century:

We are now seeing the rise of many populist groups across the world that are increasingly aggressive towards those who adhere to a minority faith. All of this has deeply disturbing echoes of the dark days of the 1930s.

I was born in 1948, just after the end of World War Two, in which my parents' generation had fought and died in a battle against intolerance, monstrous extremism and an inhuman attempt to exterminate the Jewish population of Europe.

That nearly 70 years later we should still be seeing such evil persecution is, to me, beyond all belief. I owe it to those who suffered and died so horribly not to repeat the horrors of the past.

Breitbart London has reported at length on the worsening conditions in Europe for Jewish citizens, who have complained conditions for them in Europe are now as bad as the 1930s thanks to radical Islamic immigration. Speaking at a Jewish Congress in the United States, Danish Jewish leader Dan Aaronsen said Danish society "is not as safe as it once was and has never been anti-Semitic and many of the threats facing Danish Jewry — like in the rest of Europe — come from marginalised and radicalised Muslims, and these from a small minority of all Muslims in Denmark."

LONDON: CAPITAL OF WORLD JEWRY

By M. A. Tenent

LONDON... The Hitlerization of Germany has turned London into a world centre of Jewish politics. Here, in the largest capital of the world, we have today concentrated the whole of Jewish political activity. Here, also, rests perhaps the entire responsibility for everything that is being done on matters which will decide the fate of the Jewish people. Added to the political activity we have all the relief work on behalf of the Jewish refugees from Germany and the work of providing aid for the Jewish population in Germany itself.

# THE "SMART JEW" MYTH

## A lie propagated by Jews for the benefit of Jews

**"Science has established that Jews have IQs of around 115"**

Really? Then why were they denied entry to the US under the Immigration Act of 1924 because their tested IQs were significantly below those of whites? There was never any claim that East Asians were so far below us, so this clearly wasn't "racism." Did Jewish IQ suddenly jump up, or did Jewish interests replace objectivity?

**"But Dr. Richard Lynn tested them and got high results!"**

No, Dr. Lynn processed data from other tests. China boosts their IQ measurements by testing only their richest and best, then pretending the results are typical of the whole nation. Jews play the same game. Dr. Margaret Backman tested American Ashkenazi Jews apart from all other Jews in 1972 and got an IQ result of around 100, not 115.

**"But they evolved to be smart because of white racism"**

That's absurd. First, show me proof of nearly all Jews starving to death in Europe to provide the evolutionary selection pressure. Second, it took 50,000 years to give whites a 2 s.d. IQ advantage over blacks. You're claiming Jews achieved half this much in one fiftieth of the time!

- Compared to Whites, Jews score:
  - 375 points lower in SAT Math, 230 vs. 605.
  - 35.4 points lower in NAEP Math, 251 vs. 286.4.
  - 7.3 points lower in ACT Composite, 15 vs. 22.3.
  - 228 points lower in GRE Quantitative, 325 vs. 553.
  - 43 points lower in TIMSS Math, 495 vs. 538.

Virtually every Jewish invention claim turns out to be a lie, a theft of a prior white invention including Einstein's plagiarism of Poincare and Hilbert, and Salk's polio cure coming after Dr. Howard Howe's.

Even Ashkenazi Jews are in the same racial cluster as the Arabs, who have average IQs of around 90

Jews are Admitted to Harvard at 15 Times (1500 percent) the Ratio of Equal or Better-Qualified European Americans & 7.5 Times (750 percent) higher than Asian Americans

To explain the extreme over-representation of Jews in positions of power in academia, government, and the media, we would have to assume their average IQ is impossibly high.

Israel has an average IQ of 94. Ashkenzi Jews are over 40% of the population there. The rest of the population is Sephardic or Arabic with an average IQ around 90. Doing the math, we do not get a very high value for Ashkenzi intelligence: somewhere around 100.

The National Longitudinal Survey of Youth established that Jewish success does not correlate with their intelligence. They are getting ahead by cheating: nepotism and lack of conscientious business dealings.

**"But what about Nobel Prizes?"**

Dr. Lynn himself found that the correlation between Nobel Prize winners and IQ is weak. The Nobel is a political prize, not a measure of smarts. Jews are great at scheming.

Jews aren't even actually Jews. Their claims to be the Hebrews of the bible are false. Everything about them is a lie!

The image of the United States as melting pot was popularized by the 1908 play *The Melting Pot*, by Israel Zangwill.

Israel Zangwill was born in London on January 21, 1864 in a family of Jewish immigrants from Czarist Russia, to Moses Zangwill from what is now Latvia and Ellen Hannah Marks Zangwill from what is now Poland. He was a dedicated advocate for Zionism and Territorialism, which was a Jewish political movement calling for creation of a sufficiently large and compact Jewish territory (or territories), not necessarily in the Land of Israel and not necessarily fully autonomous.

## THE JEWS BEHIND THE NAACP

### Promoting Racial Tension

In the book *A Racial Program for the Twentieth Century*, published in 1913 by Israel Cohen of the Fabian Society (a follow-up to Zangwill's play *The Melting Pot*), he wrote:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries have been oppressed by the whites, we can mold them to the program of the Communist Party ... In America, we will aim for subtle victory.

While enforcing the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause."

## COMMUNISTS BEHIND THE NAACP

The National Association for the Advancement of Colored People (NAACP)

Jacob Schiff, the Rothschild's man in America, decided that the best way to create racial tension was to establish leadership among the blacks. In 1909, he laid out plans for the National Association for the Advancement of Colored People (NAACP). It was the merging of the communist-controlled Niagara Movement, a group of blacks led by W.E.B. duBois, and a group of white social activists. In the beginning, the top leaders of the NAACP were a group of Jews appointed by Schiff. Their goal was to fight segregation and discrimination. They are now the largest black organization in the country, with well over 1500 chapters, and about a half-million members.

Communist Party members were told to join the NAACP in order to infiltrate them. The Communist Party platform stated: "The Negro race must understand that capitalism means racial oppression, and communism means social and racial equality." Manning Johnson, who held the highest position a black could have in the Communist Party, said in his 1958 book *Color, Communism and Common Sense* that he quit because he felt Russia was attempting to involve them in a bloody revolution where as many as five million blacks would die. Another Negro Communist, Leonard Patterson, testified on November 18, 1950:

"I left the Communist Party because I became convinced that the Communist Party was only interested in promoting among the Negro people a national liberation movement that would aid the Communist Party in its efforts to create a proletarian revolution in the United States that would overthrow the government by force and violence through bloody full-time revolution, and substitute it with a Soviet form of government with a dictatorship of the proletariat."

# The Heliketikarian Constittocracy

**Helicopterian Constittocracy manifesto and constitution**

Chapter 1 - Introduction

To understand this document see the references below and chapters 2 and 3:  
- Atlas Shrugged: **((Ayn Rand))**

"There are several possible monetary systems that might replace the present deteriorating order. The new system devised by the Keynesian economists and by the American government would be a massive extension of "paper gold" to demonetize gold completely and replace it with a new monetary unit (such as the Keynesian "bacon") and a paper currency issued by a new world reserve bank. If this were achieved, there the new American-dominated world reserve bank would be able to inflate any currencies indefinitely, and allow inflating currencies to pay for any and all deficits and imbalances. While such a scheme, articulated in the 1930s, the Bernstein Plan, and others, is now the American dream, it has met determined opposition by the hard-money countries, and it remains highly doubtful that the United States will be able to force these countries to go along with the plan."  
- Murray Rothbard, A History Of Money And Banking In The United States, 2002

Retrospective system and monetary reform: "The gold standard is the best and most stable monetary system. It is a society-wide mechanism for the production and distribution of money. It is a society-wide mechanism for the production and distribution of money. It is a society-wide mechanism for the production and distribution of money."

Hoppe called Rothbard his mentor and master.

He was a good doctoral advisor at the University of Michigan. In Ann Arbor, from 1975 to 1978 and earned his PhD in Economics from the University of Frankfurt in 1981. From 1989 to 1991 he was a professor in the School of Business at the University of Nevada, Las Vegas. He is a Distinguished Fellow of the Ludwig von Mises Institute, the publisher of much of his work, and was editor of various Mises Institute periodicals.

- Ludwig von Mises, Omnipotent Government, 1960

**"The free mobility of labor tends toward an equalization of the productivity of labor and thereby of wage rates all over the world. If the nations of the comparatively underpopulated countries seek to preserve their higher standard of living by immigration barriers, they cannot avoid hurting the interests of the workers of the comparatively overpopulated areas."**

Indeed, the whole story of Hasidic community growth and its impact on some established neighborhoods has been pretty much ignored by the mainstream press. Hasidic activities in Brooklyn, in Jersey City, in New York ex-urb **Bloomington** and Lakewood and Toms River, New Jersey are deplorable, and attempts by local communities to fight back are regularly met with claims that the locals are anti-Semites. **Hasidim routinely register their homes as places of worship to avoid property taxes, making other local residents pay for police and fire services as well as maintenance of infrastructure. When sufficient Hasidim become residents to get elected to the public school board, they divert the funding of state provided education to support their own private schools. As Hasidim get married within their community and do not register with the state, the women routinely file as single mothers to get public childcare subsidy checks. A prominent Israeli MP said yesterday that his country's intelligence services knew claims that Saddam Hussein was capable of swiftly launching weapons of mass destruction were wrong but withheld the information from Washington. "It was known in Israel that the story that weapons of mass destruction could be activated in 45 minutes was an old wives' tale," Yossi Sarid, a member of the foreign affairs and defence committee which is investigating the quality of Israeli intelligence on Iraq, told the Associated Press yesterday.

A Clean Break: A New Strategy for Securing the Realm (commonly known as the "Clean Break" report) is a policy document that was prepared in 1996 by a study group led by Richard Perle for Benjamin Netanyahu, the then Prime Minister of Israel.<sup>[1]</sup> The report explained a new approach to solving Israel's security problems in the Middle East with an emphasis on "Western values." It has since been criticized for advocating an aggressive new policy including the removal of Saddam Hussein from power in Iraq and the containment of Syria by engaging in proxy warfare and highlighting its possession of "weapons of mass destruction." Certain parts of the policies set forth in the paper were rejected by Netanyahu.<sup>[2]</sup>

## Why the need to Destroy Amalek? Can we identify who he is?

<https://www.youtube.com/watch?v=QX20CbMvF24>

Some highlights:

1:51 Why does this commandment appear to be so cruel? After all it asks us to Exterminate! To kill Men, Women, and Children

18:40 the torah will be given and it will provide a blueprint, a guide, a map to the Jewish people, a nation, to tell them what to do, how to rectify this world - Fix it! - clean it up!

27:42 the Jews have this job, to fix this world, to rectify this world, to bring about HaShem's (God's) dwelling in this world.

28:55 We can not allow him (Amalek) to exits. He (Amalek) is the one who is interfering with our job

40:00 Why be so cruel to him? Get rid of all of him? Men, women and children? Some people accuse us of being those who believe in genocide. That's what this is calling for right? Being so cruel, sadistic.

42:49 We are cruel to Amalek because we need to be. Because that is exactly what they would do to us if they had the chance. ... If we do not do it to him he will do it to us. So is that being cruel to him or is it being self-defense? The Torah tells us you gotta do it because he's gonna go it to you.

44:40 This is the concentration of evil. The greatest evil. The Archenemy of the Jew. What difference does it make if it's a baby? Or if it's an adult. It's the same thing, this baby will eventually be an adult. And this baby will eventually try to harm you. Do it to him before he does it to you. And you better do it because he is your enemy. ...

52:12 There are people who will always look back and say "let's just make peace with them. Let's befriend them. They are more civilised today". Torah says no. Don't come to terms, don't let your heart be appeased and complacent with Amalek.

56:40 Okay so now we've come to the question. So who is he? Who is he today? Rabbis tell us that there will be a nation in the world, right before Messiah comes, that we will be able to tell from their character and behavior who he is. And the answer is very clear: Germany. Commentaries talk about how the concentration of Amalek is mostly in that country. Does it come as a surprise? No you can see what they did and what they are capable of doing. But there's Amalek all over the world. Amalek is everywhere.

1:02:02 - Edom is the grandfather of Amalek. If Amalek is Germany, then who is Edom? Edom includes most of Europe. It includes the United States of America.

1:03:58 - Jews received a mitzvah (command from God) of destroying any vestige of Amalek... [which includes America and most of Europe]

## The Jew who Financed the American Revolution

### Haym Salomon

Haym Salomon (also Solomon; April 7, 1740 – January 6, 1785) was a businessman and political financial broker who immigrated to New York City from Poland during the period of the American Revolution. He helped convert the French loans into ready cash by selling bills of exchange for Robert Morris, the Superintendent of Finance. In this way he aided the Continental Army and was possibly, along with Morris, the prime financier of the American side during the American Revolutionary War against Great Britain.<sup>[1]</sup>

### Freemasonry

Like Washington and many prominent men associated with the American revolution, Salomon was a member of the Masonic fraternity. He received his first two degrees in Philadelphia's Lodge No. 2, Ancient York Rite in 1764. After the war, his Master Mason degree was conferred in 1784 (possibly in Maryland Lodge

In 1784, Solomon answered anti-Semitic slander in the press by stating:

Published February 19, 2017 - Associated Press

BOSTON — An Israeli national has been extradited from Poland to the U.S. to face drug trafficking and money laundering charges in Boston.

Acting U.S. Attorney for Massachusetts William Welton said Thursday that 33-year-old Jalel Altarabean conspired to transfer \$2.3 million worth of cocaine from Colombia to Israel via Boston.

Altarabean was detained after his initial court appearance Thursday. He faces one count of conspiring to possess with intent to distribute more than five kilograms of cocaine and six counts of international money laundering.

The Boston Globe reports Altarabean hasn't been arraigned and hasn't entered a plea yet. His lawyer declined to comment after Thursday's hearing.

A Jordanian national, whom authorities have declined to name, also was indicted but remains at large. The indictments are the result of an undercover operation that began in October 2016.

## Doctor admits Israeli pathologists harvested organs without consent

Israel has admitted pathologists harvested organs from dead Palestinians, and others, without the consent of their families - a practice it said ended in the 1990s - it emerged at the weekend.

The admission, by the former head of the country's forensic institute, followed a furious row prompted by a Swedish newspaper reporting that Israel was killing Palestinians in order to use their organs - a charge that Israel denied and called "antisemitic".

The revelation, in a television documentary, is likely to generate anger in the Arab and Muslim world and reinforce sinister stereotypes of Israel and its attitude to Palestinians. Iran's state-run Press TV tonight reported the story, illustrated with photographs of dead or badly injured Palestinians.

## Israel Admits Harvesting Organs From Dead Bodies Without Permission

(AP) JERUSALEM — Israel has admitted that in the 1990s, its forensic pathologists harvested organs from dead bodies, including Palestinians, without permission of their families.

The issue emerged with publication of an interview with the then-head of Israel's Ashdod Kabir forensic institute, Dr. Jehuda Hiss. The interview was conducted in 2000 by an American academic, who released it because of a huge controversy last summer over an allegation by a Swedish newspaper that Israel was killing Palestinians in order to harvest their organs. Israel hotly denied the charge.

Parts of the interview were broadcast on Israel's Channel 2 TV over the weekend. In it, Hiss said, "We started to harvest comes ... Whatever was done was highly informal. No permission was asked from the family."

An Israeli organ trafficker on the run from Brazilian authorities was arrested by Interpol and Italian police at a Rome airport on Thursday, Italian media reported.

The Israeli, 77-year-old former IDF officer Tauber Gedalya fled Brazil in 2010 after he was sentenced by a Brazilian court to life in prison for arranging for at least 19 Brazilians to travel to South Africa, where their kidneys and other organs were removed. The organs were then sold for around \$70,000 to \$80,000 according to Italian media reports.

Gedalya is currently in an Italian jail and now reportedly faces extradition to Brazil.

# Transgender Camp Founder Talks Jewish Summer

By Sarah Seltzer

PRINT EMAIL SHARE Tweet +1 Like 81

Nick Teich is the founder and director of Camp Aranu'tiq, the first summer camp in the United States that caters to transgender and gender-variant youth (that is, children whose gender expression does not conform to conventional ideas of masculinity and femininity). The camp takes its name from an indigenous Alaskan term for a person who embodies both the male and female spirit. At Aranu'tiq, transgender campers — many of whom have been bullied, beaten up or threatened outside camp — have the opportunity to express themselves freely. They get to choose which bunk they stay in, depending on how they identify: on the "masculine spectrum" or the "feminine spectrum."

Aranu'tiq, which serves kids between the ages of 8 and 15, began in 2009 as a weeklong summer camp in New England. (Teich doesn't reveal its exact location, to protect the campers.) It has since added a week in Southern California; next year it plans to add a leadership camp for kids ages 16 to 18, and a family retreat in New England. "We're outgrowing our space," Teich said. "It's a nice problem to have."

Teich, a transgender Jewish man who is working on a doctorate in social policy at Brandeis University, spoke with the Forward's Sarah Seltzer about his own camp experience, his religious background and what a typical session is like at his atypical summer camp.

**Sarah Seltzer:** You attended a mainstream summer camp. What was your experience like?

**Nick Teich:** It was a regular old camp that was about 95% Jewish. It was really important to me because it was really the only place where I felt I could be myself. I went all the way through this camp and had not yet transitioned [from female to male]. I was there for a total of 14 summers as camper, a counselor-in-training, a counselor and a member of the leadership.

He he yes white goyim give your children to me and I'll make them think they're girls. He he thus they'll all either kill themselves or become genetic dead ends.

Ov vey, goyim... it's just too easy.

\*Notice that the camp is disproportionately white and not only that but the white people are REALLY white. Like Scandinavian style white.

## Thousands Of Israelis Take To The Streets Calling For Palestinian Genocide

A reporter at the scene remarked that it seemed "more like a celebration of murder than anything."

The Tel Aviv rally—organized to support an Israeli soldier who murdered a wounded Palestinian by shooting him in the head as the victim lay on his back—was marked by chants and banners calling for mass murder.

One of the more common memes that I’ve seen white supremacists spread around recently has been “diversity is a code word for white genocide”. The concept here is that diversity is only promoted in white nations, and that the end goal is to eliminate white people altogether by flooding all white countries with non-white people until there are no white people left. Well, guess what, white supremacists? That’s exactly right. Diversity IS about getting rid of white people, and that’s a good thing.

So, yes, white supremacists: diversity is indeed white genocide. And white genocide is exactly what the world needs more than anything else. 🗨

Since the Jew's whole nature still retains too foreign an odour for the broad masses of the people to allow themselves to be caught in his snare, he uses the Press to put before the public a picture of himself which is entirely untrue to life but well designed to serve his purpose. In the comic papers special efforts are made to represent the Jews as an inoffensive little race which, like all others, has its peculiarities. In spite of their manners, which may seem a bit strange, the comic papers present the Jews as fundamentally good-hearted and honourable. Attempts are generally made to make Jews appear insignificant rather than dangerous.

The odd appearance of the man leaning against the pole, especially where his shoulder meets the pole, as well as the fading left edge of his left arm, are dead giveaways of this prolific forgery

The original Buchenwald barrack photograph was published in the May 6th, 1945 edition of The New York Times Magazine

This forgery is blatantly obvious for several reasons: 1) the stock of the machine gun is completely missing between the left arm and left leg of the girl on the left. 2) the horizon and grassy areas where the soldier was in the original is an exact clone of an area slightly to the left.

Look closely at the forgery and the original and compare the horizon and grassy areas above the rock

This forgery is relatively well done except that the angle of the light striking the woman is substantially different than the angle of the light in the rest of the photograph. The photograph was captured near high-noon, but hers was captured a few hours earlier or later. This is apparent in her ground shadow and the lack of any shadow in the step her figure was placed on

The original photograph used to create the "Nazi tank hanging" forgery

Another obvious forgery, the two men are not looking at each other because the angles were changed when they were moved apart (the man on the left appears to be looking behind the one on the right). Also the the images of the soldiers and the woman were taken at different times of the day and the contrast is different

In the original it is clear the soldiers are looking directly at one another

Besides the odd appearance of the woman, the straight edge along her right arm and the soldiers abnormally long left arm and large hand give away this obvious forgery

The Original photograph is far less dramatic

Besides the very unnatural appearance of the woman, the man standing in the center of the original photograph was not completely removed by the forger; the left (his left) bottom part of his overcoat is still visible. Also the rope the woman appears to be hanging from is actually a pole in the distant background

In the original it is clear that the "rope" used to hang the woman in the forgery is actually a pole, perhaps a utility pole

### 3: Conclusion

The Jews are responsible for many problems that we in the western world face today. They will stop at nothing to ensure that they have full control over the goyim. The most common way the Jew does this is by weakening us with their propaganda. Since they mostly own mainstream media, this is easy. They will create infighting between our people and races so we are fighting each other rather than them. For example, currently the Jews are spreading ideas such as Critical Race Theory and white shame/guilt to brainwash Whites into hating themselves and their people. For our self-preservation, the Jews must be removed from our Western civilizations, in any way possible.

I should also mention that not all "Jews" are ethnic or religious Jews. Jeff Bezos for example is not a religious or ethnic Jew, but may be considered a Jew. All elitists and globalists may be considered a "Jew" simply because they act like one.

### About East Asians

When I refer to East Asians, I refer to those of Japanese, Korean, and Eastern Chinese descent. I think that East Asians are quite admirable. The average East Asian tends to perform better in academics than the average White, which of course leads to more skilled and higher-paying jobs. This is all due to superior traditional values and genetics. However, they do not belong in White civilizations. To preserve our cultures and people we must be physically separated. Whites and East Asians will lead the way in technological advancement, we shall be close friends but never lovers. I worry about problems they are having, such as a depopulating society, rising cases of mental illnesses, and virtual relationships that seek to replace real relationships. I hope that they solve these problems before their society crumbles and is replaced by other races.

## **About Arabs and Modern Turks**

When I refer to Arabs, I refer to those who originate from the Arabian peninsula and invaded the Middle East, Northern Africa, South Eastern Europe, and the rest of the world. They do not belong here in White countries, they have a very strong culture and seek to replace all cultures of the world. They are always Muslim, and they have to be removed from White Civilization, preferably at the same time the negro's are removed. I do consider some of them to be racially white but they shall not be White because of their ties to their religion.

Modern Turks have been invaded by the religion of Islam. 99% of all ethnic Turks claim that they are Muslim, and more and more of Islamic beliefs are being integrated into Turkic culture, education, and lifestyle. The only difference between them and the Arabs, is that they are racially White. When they immigrate to other European or White countries they shall be considered invaders. Although they may be racially white, they cannot be considered White because of their ties with their religion, same as Jews.

## **About Whites**

When referring to Whites, I refer to those who are descendents of ethnic Europeans, which includes all of Europe except for the Uralics (descendents of eastern Siberians, which are considered Asian) in North Eastern Europe. I consider descendents of some middle eastern countries White too, like Lebanon, Iran, and Iraq but unfortunately they have been majorly replaced by Arabs and Islam, therefore they cannot be considered White.

There's two things a person must have to be considered White. They must be both racially white and culturally white.

Racially white refers to the person's genetics. These genetics can be sourced to the first Cro-Magnons that settled in Europe 48000 years ago. The reason why many descendents of middle eastern countries such as Iran or Iraq may be considered racially white is because of the conquests of turkic and slavic people throughout history. Racially white people can be found by having a primary R1A, R1B, or "L", haplogroup.

Culturally white of course refers to their culture. What is white culture you may ask? White culture is the norm of advanced societies today. Hard work ethics, religion based on Christianity, values in justice and law, emphasis on science and the scientific method, and need for the truth are just some major points of White culture.

One cannot be considered White if they do not have both of these traits. For example, a black man who lived in France all his life and is culturally White will never be considered White because of their genetic origin to Sub-Saharan Africa. While a white person who has turned away from his people and culture in favor of another will not be considered White.

The brilliance and creativity found in White's is incomparable to all other races, therefore I believe that White's are superior.

"Umm actually, Irish/Lebanese/Turkic/Spanish/Caucasus/Finnish people aren't racially white." Well I see how you may think that, obviously we look much different from each other and have different ancestries. But the fact is White's are the most diverse race of all races on

Earth. The brains between Whites are actually not that different when you look at IQ data under similar living conditions, and that is the exact thing that separates Whites from all other races. I do agree however that we are all not the same and should preserve our unique people and culture by being separated. The only reason why I'm using the term White's is because I call for our unification (for now) to combat our genocide.

## About Everyone Else

If you didn't get it by now, I believe that all races and people do belong on the Earth, but only where they are biologically made to be. Whites do not belong in Nigeria the same reason why blacks do not belong in England. They have been shaped by the region of Earth just as they have shaped their Earth. Indians, Natives of America, Filipinos, ect, all belong in their designated homelands. My only exception to this would be if that land is already anchored to another race, for example Australia, New Zealand, Argentina, Uruguay, and the USA are now anchored to Whites, while Iran, Iraq, and Syria are anchored to Arabs. Expecting this complete transformation after hundreds or even thousands of years of development is completely unrealistic.

## About Money: Fiat, Crypto, and Metal

The fiat currency in all developed and undeveloped countries is an absolute joke, the fact is it has no real value. Fiat currency only works because a group mutually agrees on its value, and if it must be used to pay taxes or pay for goods and services then it has value in that sense. Fiat currency gives central banks greater control over the economy because they can control how much currency is printed, and you want to know (((who))) is behind those central banks? Inflation is inevitable with fiat currencies and globohomo, which means just by holding a dollar in a bank or in your hands you are losing its value. The Federal Reserve can produce US dollars for such a small cost to its face value, \$100 bills for example can be created for only 14 cents. By some theories, a \$100 bill only has the value of 14 cents as a piece of art.

In the US, 2020 saw an ENORMOUS spike in the M1 money supply, and we don't even know the true value anymore because (((they))) discontinued it.

If you thought the current inflation rate is bad, the real rate based on the M1 money supply is so much worse. Get out of fiat while you still can, as of writing this it has some value.

Cryptocurrency is one way to escape fiat, and is quite valuable in the way that one can trade online with it easily. But it's a bad idea to hold wealth for various reasons.

- 1: It doesn't have any value in real world application, and can not be used in the real world as a resource.
- 2: It is technology dependent and completely traceable, which means globohomo knows (and you don't want them to know)
- 3: Can be infinitely replicated without restrictions; there's an infinite amount of crypto currencies that can be made
- 4: Is toxic to the environment through endless mining and overuse of graphic cards.
- 5: Is absolutely worthless, and only takes up space as a file on a drive

Crypto is completely based on the greater fool theory. As long as there is a sucker willing to spend their fiat money on it, it will have value. I can't explain it any better this:

<https://www.jacobinmag.com/2022/01/cryptocurrency-scam-blockchain-bitcoin-economy-decentralization>

The entirety of cryptocurrency is a scam, a fraud, a ponzi scheme, and a waste of money.

The only decent crypto currencies to really get into are ones that are backed by real money. What is real money you might ask? The answer: precious metals

Silver, gold, and other precious metals are also a way to escape fiat, and is the best option to escape fiat for various reasons:

- 1: It will always be valuable because it is MONEY.
- 2: Cannot be created/mined for almost nothing, will always take major industrial work to mine and process.
- 3: Physical precious metals can not be traced as easily as stamped fiat currency or online.
- 4: Has many physical properties that are unique and have real world application. Silver for example is antimicrobial and the best conductor of electricity.
- 5: Jews hate it when you convert fake money to real money, therefore you should do it. Remember the Jew loves it when people are in debt to them

The easiest precious metal to get into is silver, and has a relatively small market compared to gold. It is the cheapest and most easily found in older currencies. Pre 1965 American dimes, quarters, and half dollars are easily found in coin shops and antique shops and such, and are made of 90% silver. If you don't live in the US you should look up your countries silver currency and find more info about their weight and silver percentage. Silver bullion can also be bought and is usually measured in troy ounces, or grams. Jewelry items can also be bought but I found that they are quite more expensive for the amount of silver you get from it.

Gold is much more difficult to get into because American gold coins stopped being manufactured in 1933, and is much rarer than silver coins, which were discontinued in 1964. Gold bullion also exists and is measured in troy ounces or grams as well. I know you know gold jewelry exists and is also an option.

Fakes exist and make me quite frustrated. I think in my lifetime I've had 1 fake Morgan dollar and a fake 1933 double eagle a family member (?) gave to me. 1 fake peace dollar that I accidentally bought and returned, and 1 fake 1803 bust dollar someone tried to sell me. The best way to tell if metal is what it's claimed to be is to Sigma test it, but those machines are quite expensive. Normally I measure the mass, measure the dimensions, and ping test it to make sure it's right before I buy any silver, and for gold I would only buy it if it can be sigma tested.

Banks are run by the Jews, we should all know this by now. Banks offer the protection of your money and wealth but at the cost of ruining the AMERICAN DREAM. They give YOUR money away for loans. Why did we let the Jews psyop the world into forgetting about real money? Because they want to control the whole economy by DEBT.

The (((money printers))) have the capabilities to print as much money as they want to continue this debt-based fiat system that we have currently. The only way to stop it without revolution is to stop using fiat altogether. I'll say this again but this time in caps: GET OUT OF FIAT WHILE YOU STILL CAN

Maybe you don't believe me when I say that precious metals are the best option. That is perfectly fine. There are other resources and investments that will pay you great dividends in the future. I would look into land development, self sustaining equipment, and knowledge and practice of real skills.

So like I said before... \*breathes in\*

**GET OUT OF FIAT WHILE YOU STILL CAN!!**

## **Weapons, Equipment, and Mentality of the Attacker**

The greatest weapon a human has is not a firearm, explosive, or nuclear weapon, but the mind. We as humans are blessed to have such a powerful brain that can effectively solve nearly any problem that comes our way. Through logic, reasoning, and willpower, humans dominated the Earth. The brain is the most important tool a person uses everyday, and is the most deadly weapon an attacker can use.

An attacker must first go through with an attack in their mind. They must plan everything they can. Committing to an attack without any real thought or planning will only damage your chances of being successful. I'll insert my plans and thoughts here, critique this as much as possible.

### **Goals:**

- Kill as many blacks as possible
- Avoid dying
- Spread ideals

### **Strategies for success:**

- To maximize deaths of the intended target, attack in a high density, highly populated area.
- The weapon must be able to kill quickly and efficiently. A firearm that is light, deadly to others (basically all firearms fit this category), can fire ammunition as quickly as needed, can hold many rounds of ammunition without reloading, and can reload quickly are most optimal for this attack.
- Prioritize high threat level targets first.
- Be able to physically do all exercises.
- To minimize the chance of instant death from a CCW holder, police, or general armed citizen, body armor and ballistic helmet that will stop the intended threat will be needed.
- A car can be used to quickly transport the attacker and his equipment, most cars are good enough for this application.
- Proper planning of the attack route is needed.
- Attacking in a weapon-restricted area may decrease the chance of civilian backlash. Schools, courts, or areas where CCW are outlawed or prohibited may be good areas of attack. Areas where CCW permits are low may also fit in this category. Areas with strict gun laws are also great places of attack.
- Having a medical kit that can treat expected wounds is needed.
- Greater public influence may be achieved by using techniques that increase media coverage.

### **Strategy application:**

- Zip code 14208 in Buffalo has the highest black percentage that is close enough to where I live.
- Top's Market is an area in zip code 14208 where a high percentage and high density of blacks can be found.
- Top's Market has 1 or 2 armed security guards with full size glocks, IIIA armor will stop their ammunition.
- According to Google and independent study, 4:00 PM on Friday is the most populated time at Top's.
- I made a map of the inside and decided the best plan of attack for highest chance of success
- NY has cucked gun laws. Assault style weapons and high capacity magazines are illegal for civilians to own, thus lowering threats from law-abiding civilians.
- The AR-15 and its variants are very deadly when used properly. Which is the reason why I picked one. High capacity magazines and ammunition that causes (enough) ballistic damage to kill effectively will be used. The AR-15 is readily accessible even in cucked New York, and after some modifications will be able to effectively kill. Plus, the media loves to hate on the AR-15, which may increase media coverage and public outlash.
- I will be wearing decent body armor and a helmet to protect from other people's firearms.
- I will have a JFAK on my belt in case I need to treat myself for gunshot or sharp/blunt weapon wounds.
- I will use my car to store my guns and transport myself around quickly.

-Video will be livestreamed and manifesto published online to increase coverage and spread my beliefs.

**The plan of action:**

-At home I will pick up all my gear and put it in an industrial trash bag, then I will put this bag in a laundry basket and place it on the floor in front of the passenger seat. I will put the three guns (two of them have carriers) behind my seat with a blanket over them to cover it from outsiders. I will also have discord at my house running a live recording of my twitch account.

-I eat a large portion of corn beef hash for breakfast

-I will leave my house at 7:30 and travel to Buffalo in regular clothing, should arrive just before 12:00

-At 12:00 I will go inside the store for the second to last time and make sure everything is as expected

-I will follow my planned course of action and make sure I know exactly where to go between 12:00 and 2:45. I will also get some food at McDonalds.

-At 3:30 I will park in the designated gear up spot off of Sherman St and fully gear up. I will take my 3 guns out of their carriers and put them in the passenger seat of my car. I chamber the shotgun and add another in the magazine tube, and do the same to the savage axis. Both of these guns will have the safety engaged. (I may change the location I gear up if I determine it is too risky.)

-At 3:50 I will publish my 8chan post on 8chan.moe, 4chan post on 4chan linked to 8chan post, send links to the discord servers I'm in, and send links to all people on my discord friend list. After I'm done posting I will take the XM-15 and properly wear the sling and place the gun to the left of my legs. I insert the coupled magazines, chamber a round with the M855 mag and make sure the gun is on safe.

-At 3:55 I start the livestream, and make it out onto Sherman St, I will take a right on to High St, take a right onto Johnson St, make it across Best St onto Wohlers Ave, and park on the side of the road just before Riley St.

-At 3:57 I will turn the check my discord and check the camera to make sure the livestream is working

-At 3:58 I take a left on Riley St, I then turn into the parking lot at Top's and disengage the safety on my XM-15.

-At about ~4:00 I park in front of the store right before the support beam, kick open the door and jump out of my car. In training this full action took between 2-3 seconds.

-I first shoot the security guard and kill him by shooting through the front doors of the glass. His most common areas are located in orange. There is an overhand based on the camera position I should be in the camera's blindspot. He should be just at the entrance of the store, if not at the cash registers. They may still have the glocks attached to them or they may have dropped it. If possible I kick the glocks away to a wall so it can not be used against me.

-I shoot all black people twice in the chest if possible, I turn left to the cash registers and open fire on the expected crowd of people at the cash registers. According to user reviews the store is notorious for being slow. Some will run away along the aisles. I make sure I never stop firing.

-I make it on the other side of the aisles and continue firing on all blacks, I go into the customers only area to check for runners and hidiers, and make it to the deli and then back to the entrance.

-I shoot all downed blacks twice in the head, making my way to the register and aisles again, and back to the deli and back to the entrance.

-It should be leaving at about 4:04.

-Then I will go into my car and make it south on Jefferson Ave. Where I will take my Mossberg 500 and Savage Axis out from the seat and shoot at blacks on the streets.

- If all is expected I should pass some responding patrol officers at this time on Jefferson.
- I pass the House of China and start making my way across the Emslie neighborhoods, using all weapons I have available to me to shoot at nearby blacks.
- I should be stopped by police officers eventually in Emslie and then surrender to them. Or if I find another decent location the day of the attack (example being Walmart) I'll head there.

Most importantly, the attacker must go through with the attack in their mind, it is very difficult for a normal person even with all the information to carry out an attack that will kill another human being, or the fact that you may die that day. I don't think there really is a way to train for this, but confidence in your goals and equipment may ease them. I think that live streaming this attack gives me some motivation in the way that I know that some people will be cheering for me. I am also decently protected by my armor so that gives me some confidence as well. Training with my guns also gives me confidence knowing exactly what I can expect by shooting them.

## **The Weapon**

Of course how is one expected to kill another without a weapon? I will be using firearms as my primary weapon for this attack. Why? Because they work. There are very few weapons that are easier to use, accessible, and effective at killing than firearms. The weapons I will be using for this attack are a Bushmaster XM-15, Mossberg 500, and a Savage Axis XP.

### **Bushmaster XM-15 E2S Target**

This is my Bushmaster XM-15. That's right, I used the dreaded military grade assault rifle-15 as my main firearm for this attack. This gun was most likely made between 1994 and 2004, when the Federal Assault Weapons Ban was still in action. I bought it from a place in Endicott called Vintage Firearms. Since I live in New York, I had to buy a cucked version of this before illegally modifying it. The person who had this before me installed a Mean Arms magazine lock, which fixed a 10 round magazine (higher capacity magazines are also illegal) to the gun. As seen in the next 2 photos...

Pages 62-157 were omitted because this is nothing more than a shopping list for weaponry, as well as a "how-to" obtain it.

Most importantly you should actually train in your gear, because the fact is you WILL change your loadout multiple times before you find the one that works for you.

Also you don't have to have the gucciest gear to be a good fighter, because the fact is, gucci gear will not make you a better shooter or pretend soldier. You can still be very decent even with low-tier gear.

## **Messages To Various Groups**

### **To Conservatives**

Ask yourself, truly, what has modern conservatism managed to conserve? What does it seek to conserve? The natural environment? Western culture? Ethnic autonomy? Religion? The nation? The race? Nothing is conserved. The natural environment is industrialized, pulverized and commoditized. Western culture is trivialized, pulped and blended into a smear of meaningless nothing, with the only tenets and beliefs seemingly held to are the myth of the individual, the value of work (productivity for the benefit of your capitalist owners) and the sovereignty of private property (to ensure none of us get grand ideas of taking the unearned wealth of our owners).

Ethnic autonomy? Destroyed in the name of cheap labor, whilst they may publicly object to the illegal immigration of the third world masses, privately they push for as much migration as possible, anything to decrease the labor cost of production and line their pockets with the profits. They removed the Europeans peoples autonomy and sovereignty for their own lust for power and wealth. Religion? What remains? Empty churches and full shopping centers? Drive through confessionals and no fault divorce? Any religious ideal that stood between the wealthy and wealthy generation was downplayed, sidelined and quietly dismantled. All so that they could line their pockets without complaints or objections.

The nation? What nations do we have to conserve? What are our own nations now based on? There is no shared culture, ethnicity, language, values or beliefs. Anyone can be a member of our nation, as long as they have the paperwork. They need not be born here, share our race, our language, our culture or our beliefs. Hear the conservatives cry, as long as they are willing to WORK, let them in! Let them earn our wealthy benefactors their second yachts and their fifth properties!

The race? They don't even BELIEVE in the race, they don't even have the gall to say race exists. And above all they don't even care if it does. It's profit, and profit alone that drives them, all else is secondary. The notion of a racial future or destiny is as foreign to them as social responsibilities.

Not a thing has been conserved other than corporate profits and the ever increasing wealth of the 1% that exploit the people for their own benefit. Conservatism is dead. Thank god. Now let us bury it and move on to something of worth.

## **CONSERVATISM IS DEAD, THANK GOD.**

### **To Leftists**

“Leftists tend to hate anything that has an image of being strong, good and successful. They hate America, they hate Western civilization, they hate white males, they hate rationality. The reasons that leftists give for hating the West, etc. clearly do not correspond with their real motives. They SAY they hate the West because it is warlike, imperialistic, sexist, ethnocentric and so forth, but where these same faults appear in socialist countries or in primitive cultures, the leftist finds excuses for them, or at best he GRUDGINGLY admits that they exist; whereas he ENTHUSIASTICALLY points out (and often greatly exaggerates) these faults where they appear in Western civilization. Thus it is clear that these faults are not the leftist’s real motive for hating America and the West. He hates America and the West because they are strong and successful.”

Leftists usually advocate for equality among all people. The problem with this is that we are not all the same. Take for example the common black man, on average he is 15 IQ points behind the average White man. Is it reasonable to allocate more resources and time just for him, so he has the chance of being equal to the White man? Through all the resources we’ve spent to try and allow blacks to be equal to whites, they will always be prohibited by their genetics. How many more trillions of dollars are we going to spend on blacks before we realize that it is futile?

I think leftism will always have great intentions but as a result will slow progress down considerably, or even reverse progress made. Modern leftism aims to create problems that don’t actually exist, like patriarchy and white supremacy. Ask yourself what have progressive’s progressed? Teaching white children to hate themselves and their blood? Teaching non-whites to hate our people? Teaching that it’s OK for anyone to be anything, no matter the consequences? Leftism only brings down our society.

### **LEFTISM RESULTS IN A DEGENERATE HATEFUL SOCIETY**

### **To non-whites on White lands**

Leave while you still can, as long as the White man lives you will never be safe here.

## **General Thoughts**

### **Who is truly to blame?**

The people who are to blame most are ourselves, European men. Strong men do not get ethnically replaced, strong men do not allow their culture to degrade, strong men do not allow their people to die. Weak men have created this situation and strong men are needed to fix it.

### **STRONG MEN MUST RISE UP**

## **The rape of European women by invaders**

Many of you may already know about the rape of British women by the invading forces, Rotherham of course being the most well known case. But what few know is that Rotherham is just one of an ongoing trend of rape and molestation perpetrated by these non-white scum.

A list of wikipedia entries from the most well known British rape cases follows:

[https://en.wikipedia.org/wiki/Telford\\_child\\_sexual\\_exploitation\\_scandal](https://en.wikipedia.org/wiki/Telford_child_sexual_exploitation_scandal)

What many do not know is that these cases do not solely occur in Britain, but elsewhere in the Western world as well, as shown by these two well known cases in Australia:

[https://en.wikipedia.org/wiki/Ashfield\\_gang\\_rapes](https://en.wikipedia.org/wiki/Ashfield_gang_rapes)

[https://en.wikipedia.org/wiki/Sydney\\_gang\\_rapes](https://en.wikipedia.org/wiki/Sydney_gang_rapes)

And even in Finland:

[https://en.wikipedia.org/wiki/Oulu\\_child\\_sexual\\_exploitation\\_scandal](https://en.wikipedia.org/wiki/Oulu_child_sexual_exploitation_scandal)

The true number of these events perpetrated across the Western world is unknown and certainly under reported, as both the state, the media and the judicial system work in unison to hide these atrocities, in the fear that knowledge of these events would enrage the native people of the West and damage the perception of our new “Multicultural utopia”. Finally I would like to send a message to the perpetrators of these attacks, and their families. You will hang. If you are released we will find you and kill you, if you are in prison we will reach you there, if you try to hide these rapist scum we will kill you as well. For the disgrace you have heaped upon the European people and the distress you have caused to European women, you will die.

## **KILL THE RAPISTS, HANG THEIR FAMILIES**

### **Diversity is weak**

Why is diversity said to be our greatest strength? Does anyone even ask why? It is spoken like a mantra and repeated ad infinitum “diversity is our greatest strength, diversity is our greatest strength, diversity is our greatest strength...”. Said throughout the media, spoken by politicians, educators and celebrities. But no one ever seems to give a reason why.

What gives a nation strength? And how does diversity increase that strength? What part of diversity causes this increase in strength? No one can give an answer.

Meanwhile the “diverse” nations across the world are scenes of endless social, political, religious and ethnic conflict. The United States is one of the most diverse nations on Earth, and they are about an inch away from tearing each other to pieces. Brazil with all its racial diversity is completely fractured as a nation, where people cannot get along and separate and self segregate whenever possible. South Africa with all its “diversity” is turning into a bloody backwater as its diversity increases, black on black, black on white, white on black, black on Indian, doesn’t matter, its ethnicity vs ethnicity. They all turn on each other in the end. Why is it that what gives Western nations strength is not what gives Eastern nations (China, Japan, Taiwan, South Korea) their strength? How are they so strong, China set to be the world's most dominant nation in this century, whilst lacking diversity? Why is that their non-diverse nations do so much better than our own, and on so many different metrics?

Diversity is not a strength. Unity, purpose, trust, traditions, nationalism and racial nationalism is what provides strength. Everything else is just a catchphrase.

### **DIVERSITY IS WEAKNESS, UNITY IS STRENGTH**

### **Radicalization of western men**

The radicalization of young Western men is not just unavoidable, but inevitable. It should come as no shock that European men, in every nation, and on every continent are turning to radical notions and methods to combat the social and moral decay of their nations and the continued ethnic replacement of their people.

Radical, explosive action is the only desired, and required, response to an attempted genocide. These men and women are not being brain-washed, corrupted or misled. They are finally removing their blindfolds and seeing the reality of the world and their peoples' future.

The truth is that the West killed the notion of god, and proceeded to replace it with nothing. Brought forth two competing ideologies (communism and fascism) to replace this loss of god, then proceeded to allow both sides to slaughter each other to a standstill and then let corporate backed capitalists tear the survivor to pieces. Resulting in a society with no core beliefs, no purpose and no vision for the future. A society of rampant nihilism, consumerism and individualism, where every individual is a competitor and the rights of the individual override all

notions of responsibility. In this hell the individual is all and the race is worthless, something to rail against and use whenever possible, a power structure to climb, or topple.

The truth that they are rapidly becoming, not just a global minority, but a minority within their own lands.

The truth that they are left, alone, an individual in a society worshipping the cult of the individual, to respond against an influx of outsiders from all corners of the world. Enemies bound by faith, culture or tradition with higher levels of fertility, trust and in group preference resulting in much stronger communities.

The truth that they are expected not to combat these myriad, unending and dedicated interlopers, but to embrace them, accept their own disenfranchisement, accept the loss of their fathers lands, their own impoverishment, their own REPLACEMENT.

But they will not accept this death. This eradication of their people, their culture, their very soul.

They see the decay all around them, plummeting, free-falling birth rates all across the Western world. Millions of invaders landing on our shores, conquering our towns and without a single shot fired in response. Broken families with soaring divorce rates, that's if they even bother to get married at all. Suicide rates climbing year by year, not just for adults, by even teens and children as well and the only time people seem to even notice is when one of their own idols commits the act (singers, sports stars, actors). Drug use at all levels of society, in all age groups, any source of distraction or relief to escape a culture of nihilism. Rampant urbanization and industrialization, ever expanding cities and shrinking forests, a complete removal of man from nature, with the obvious results. Pedophile politicians, pedophile priests and pedophile pop stars, demonstrating to all the true depravity of our age. Art and beauty subverted beyond all recognition, bauhaus travesties replacing nouveau wonders, soulless metropolitan architecture of glass and steel reflecting no society, no culture, no people and therefore belonging everywhere, and nowhere. Suicidal, nihilistic and degenerate pop icons produced from a dead culture: Michael Jackson (pedophile, self hating, self mutilating, opiod addict), Madonna (degenerate, drug addict, childless, whore, anti-christian, pro miscegenation), Kurt Cobain (suicidal, drug addict, self hater, anti-social), Freddy Mercury (lifelong identity crisis, lifelong battle with hedonism and drug use, eventual death due to sexual hedonism) just to name a few. Empty nurseries, full casinos, empty churches and full mosques, entropy in blitz speed. Politicians write in the same ink as Eligabulus, worshipping all that is foreign, poisonous and subversive. So these young men and women see this suicidal nihilism and isolate themselves from this mainstream, "multicultural", egalitarian, individualistic insanity and look for allies anywhere they can find them, in the flesh or online. They congregate, discuss, despair, strategize, debate and plan. They decry weakness, mock fecklessness and worship strength, and in this worship of strength they radicalize and find the solution.

Somehow this isolation then radicalization is seen as a surprise, yet for anyone who was paying attention, it was a long time coming. Once the corporate and state media's grip on the zeitgeist of modernity was finally broken by the internet, true freedom of thought and discussion

flourished and the overton window was not just shifted, but shattered. All possibilities of expression and belief were open to be taught, discussed and spoken. This open and often anonymous discussion allowed for information, outside of the states and the corporation control, to be accessed often for the first time. The result is obvious. People are finding their way home. Finding their people, finding their traditions, seeing through the lies of history, the brainwashing of the institutions and they are angry, they are energized and yes, against their degenerate societies, they are radicalized.

## **RADICALIZATION IS THE ONLY RATIONAL RESPONSE TO DEGENERATION**

### **The failure of assimilation**

Expecting immigrants to assimilate to a decadent culture is laughable. Who would willingly leave their own strong, dominant and rising culture to join an elderly, decaying, degenerate culture? What culture would entice a man, one of traditions, beauty, architecture, art and prosperity, or a culture of decay, self-hatred, childlessness, disorder and nihilism?

More immigrants are choosing to retain their own healthy culture, year by year, and even more telling, our own people are beginning to join them, looking outside their own watered down and deteriorating culture to look for purpose and guidance from outside sources.

The weaker we become the more immigrants will refuse to join us, refuse to partake in the cultural suicide that we extol. That should surprise no one.

### **NO ONE WILL WILLFULLY JOIN THE DECAY**

### **Problem with virtual relationships and porn**

A virtual relationship includes many things. One of my favorite examples is those found in sites like OnlyFans and Twitch. On OnlyFans, people (mostly men) can pay to talk to and see nudes of people of their choosing. And on Twitch, there's many cam girls, hot tub streamers, ect that make their living by having a virtual relationship with their viewers. These viewers will often pay money to have their name signed on their leg or be called out by that specific person. The problem with this is that it discourages actual relationships with actual people, which actively prevents births of the new generation. The same thing applies with porn, when one is able to have a virtual relationship with an actor or simulate having sex whenever they feel like it, what encourages them to go out to have a real relationship?

This is only one of the reasons for the decay of the White race. This must be managed and controlled, or discouraged heavily.

### **STOP WATCHING PORN, STOP CONTRIBUTING TO THE DECAY**

### **Dissatisfaction in current society**

I feel that many people these days are very dissatisfied with their life. They live the same boring lifestyle followed by routine. They may awake early in the morning, work until 5, and play video games, watch movies or tv, or have a beer before bed. They will follow this routine

for years, often doing very little to change their lives. The problem here is not with industrial society, (although it originates from it) but with the ease of conformity to this lifestyle. They will refuse to take new activities or action in their life not because they are in fear or anxious but because it is simply easier not to.

One quote that really stuck with me is from *Into the Wild* by Jon Krakauer, when he wrote “So many people live within unhappy circumstances and yet will not take the initiative to change their situation because they are conditioned to a life of security, conformity, and conservatism, all of which may appear to give one peace of mind, but in reality nothing is more damaging to the adventurous spirit within a man than a secure future. The very basic core of a man’s spirit is his passion for adventure. The joy of life comes from our encounters with new experiences, and hence there is no greater joy than to have an endlessly changing horizon, for each day to have a new and different sun.”

You will have to leave the conformity of a routined life if you want to achieve true happiness and satisfaction.

## **DON'T BE AFRAID OF CHANGE**

### **Don't let yourselves be disarmed**

After my attack, I suspect that gun control policies will be brought forth to the state and federal government. Calls to ban high-capacity magazines, assault weapons including AR-15's, and even items such as body armor are expected. You must not let them pass these laws, if the civilian population becomes disarmed, the military and elite will be able to control all. No matter what Joe Biden tells you, fighter jets and nuclear weapons can not control the civilian population. I found a cypasta that explains this quite well:

“Listen, you fantastically goofy motherfucker. I'm going to try to explain this so that you can understand it.

You cannot control an entire country and its people with jets, tanks, battleships, and drones, or any of these things that you so stupidly believe trumps citizen ownership of firearms.

A fighter jet, tank, drone, battleship, or whatever cannot stand on street corners and enforce "no assembly" edicts. A fighter jet cannot kick down your door at 3AM and search your house for contraband.

None of these things can maintain the needed police state to completely subjugate and enslave the people of a nation. Those weapons are for decimating, flattening, and glassing large areas and many people at once, and fighting other state militaries. The government does not want to kill all of its people, and blow up its own infrastructure. These are the very things they need to be tyrannical assholes in the first place. If they decide to turn everything outside of Washington D.C. into glowing green glass, they would be the absolute rulers of a big, worthless, radioactive pile of shit.

Police are needed to maintain a police state. Boots on the ground. And no matter how many police you have on the ground, they will always be vastly outnumbered by civilians, which

is why in a police state it is vital that your police have automatic weapons while the people have nothing but their limp dicks and their soy latte.

But, when every random pedestrian could have a Glock in their waistband, and every random homeowner has an AR-15 by the door, all of that goes out the fucking window because now the police are outnumbered and face the reality of bullets coming back at them.

If you want living examples of this, look at every insurgency that the US military has tried to destroy. They're all still kicking with nothing but AK-47s, pick-up trucks, and improvised explosives because these big scary military monsters you keep alluding to are all but fucking useless for dealing with them.

Dumb. Fuck."

In the US, items such as short barreled rifles, short barreled shotguns, suppressors and automatic weapons are already heavily regulated. In states like New York and California, high capacity magazines are banned from legally being sold and assault style weapons are highly regulated.

We cannot let them take anymore. We must actively fight for our rights of gun ownership.

**THE LAST DEFENSE AGAINST TYRANNY ARE THE PEOPLE'S WEAPONS**

### **Green nationalism is the only true nationalism**

There is no conservatism without nature, there is no nationalism without environmentalism, the natural environment of our lands shaped us just as we shaped it. We were born from our lands and our own culture was molded by these same lands. The protection and preservation of these lands is of the same importance as the protection and preservation of our own ideals and beliefs.

For too long we have allowed the left to co-opt the environmentalist movement to serve their own needs. The left has controlled all discussion regarding environmental preservation whilst simultaneously presiding over the continued destruction of the natural environment itself through mass immigration and uncontrolled urbanization, whilst offering no true solution to either issue. There is no Green future with never ending population growth, the ideal green world cannot exist in a world of 100 billion, 50 billion, or even 10 billion people. Continued immigration into Europe is environmental warfare and ultimately destructive to nature itself. The Europe of the future is not one of concrete and steel, smog and wires but a place of forests, lakes, mountains and meadows. Not a place where English is the de facto language but a place where every European language, belief and tradition is valued. Each nation and each ethnicity was molded by their own environment and if they are to be protected so must their own environments.

**THERE IS NO TRADITIONALISM WITHOUT ENVIRONMENTALISM**

## **Kill high profile enemies**

There are well known enemies of our nations, enemies of our race that freely walk through our societies, heads held high, believing themselves untouchable. They will soon find out how wrong they truly are. Traitors deserve a traitor's death. No matter if it takes 3 years or 30 years, these people must pay for their disgusting attacks upon our race.

TATP packages strapped to drones, an EFP in motorcycle saddle bags, convoy ambush rammings with cement trucks. Any method that gives these traitors their sure reward is viable and should be encouraged. Where there is a will, there is a way.

George Soros, the billionaire responsible for his attacks on the West. He attacks the average person's wealth by shorting entire currencies. His funding for the radical left is majorly responsible for the destruction of our White culture. It is no question that he is one of the Jews that is attempting the new world order.

Erdogan, the leader of one of the oldest enemies of our people, and the leader of the largest islamic group within Europe. This warlord must bleed his last, whilst he visits his ethnic soldiers currently occupying Europe. His death will also drive a wedge between the Turk invaders currently occupying our lands and the ethnic European people whilst simultaneously weakening Turkey's hold on the region, removing a prime enemy of Russia and destabilizing and fracturing NATO.

Sadiq Khan, The current mayor of London at the time of writing, an open sign of the disenfranchisement and ethnic replacement of the British people in the British isles. This Pakistani muslim invader now sits as representative for the people of London. Londinium, the very heart of the British isles. What better sign of the white rebirth than the removal of this invader?

**KILL GEORGE SOROS, KILL ERDOGAN, KILL SADIQ KHAN**

## **The paradox of the diverse equality**

The greatest joke of all is the quixotic foolishness of the diverse but equal society. Diversity by its very definition belies equality. No two different things can ever truly be equal, especially humans. There is no one person equal to any other, not identical twins, not countrymen, not workers within a class group and certainly not those of differing races. Every human is worth only their own value, no more or less.

The more diverse a group becomes, the less equal it becomes. Diversity is anathema to equality. One cannot exist with the other.

**DIVERSITY IS UNEQUAL, HIERARCHIES ARE CERTAIN**

## **The present is a gift from those in our past**

Your ancestors did not sweat, bleed and die in the name of a multicultural, egalitarian nation. They built homes for their children to live in, they built communities for their people to thrive in, they built nations for their people to survive in. They slaved for a better future for their people, and now other peoples shake their fists and point their fingers, reprimanding us for living better lives, wealthier lives in wealthier countries. This wealth and prosperity was paid for in the sweat and blood of your ancestors. Our present comfortable, privileged and prosperous life was gifted to us by our forebears, with the belief that we would maintain, cherish and even expand upon their work, so that one day our own children can enjoy the rewards of our labor.

We must strive to create a nation worthy of our ancestors, that we give our people the very best lives, and nations that are worthy of them. A nation that venerates its ancestors, but lives for its offspring.

### **VENERATE THE ANCESTORS BUT WORK FOR THE CHILDREN**

## **A soldiers fight**

The ideal of a heroic war, without loss, without failure, without some great setback, is idealistic and downright impossible. Even at Vienna in 1683 we Europeans still lost over fourteen thousand good men. That was during a triumphant VICTORY. Do you believe you are better than these men? More deserving of life? More skilled and courageous? You are not. If they could die, so can you. Expect death, expect struggle, expect loss that you will never forget. Do not expect to survive, the only thing you should expect is a true war and to die the death of a true soldier.

### **EXPECT A SOLDIERS FIGHT AND A SOLDIER'S DEATH**

## **The danger of the invader**

If you were to kill sixty armed invaders having shown the will and the intent to bring harm to your nation and people, you would be hailed a hero, given your nation's highest civilian honors, paraded before the media and the adoring public. But kill sixty unarmed invaders having shown the will and the intent to bring harm to your nation and people, and you will be considered a monster, dragged through the streets, ridiculed, attacked, your character assassinated in every way it can be and finally tried in court and imprisoned for the rest of your life.

But here's the real kicker, the unarmed invader is far more dangerous to our people than the armed invader. We can fight the armed invader, we know how, we have the ability, we have the soldiers and arms to do so. But the unarmed invader, we have no real idea on how to deal with them, we are unable to attack them or fend them off in any meaningful way.

Both would seek to destroy our nation, both would seek to displace and replace our people, both would seek to destroy our culture and nationhood. But only one has the ability and only one has shown to be effective at doing so.

### **THE UNARMED INVADER IS MORE DANGEROUS THAN THE ARMED**

## **The lightning march through the institution**

While the left's march through the institutions was long and ultimately successful we must achieve the same, but in a much shorter time period. Due to the threat of ethnic replacement and our own horribly low birth rates, we do not have 150 years or even 50 years to achieve positions of power. We must be intrinsically leveraged into the political, militaristic, judicial, educational and economic institutions, all within 25 years.

We do not have the luxury of time like the left had, we must be ready to act, and act soon. That means those that can, or have the ability should look to ingrain themselves into these institutions and climb as far up the power hierarchy as possible, in the shortest time possible. When the time comes, you must be ready to act.

### **BLITZ TO DOMINANT POSITIONS**

## **All true movements are populist movements**

While the movement itself, at least in the vanguard stage, does not need to have the support of the entire population, eventually we will need our people to join our new society, and voluntarily. They must be willing and wishing to be a part of this new future we envision. We cannot, and should not, rely on oppression to encourage the population to fit this new paradigm.

Through our own actions and speech we shall show them a new path. A path focusing on nature and respect for the environment, traditions, families, workers rights and personal and racial responsibilities. We must excel, both personally and as a society.

Whilst we may use edgy humor and memes in the vanguard stage, and to attract a young audience, eventually we will need to show the reality of our thoughts and our more serious intents and wishes for the future. For now we appeal to the anger and black comedic nature of the present, but eventually we will need to show the warmth and genuine love we have for our people.

### **SHOW THEM THE WAY FORWARD**

## **There is no sheltered meadow**

There is nowhere left to run, turn around, face your enemy, make your stand. There is not a single place left where the tendrils of replacement migration have not touched. There is no single place in the West that is even close to reaching replacement level birth rates, let alone birthrates that indicate a level of vitality and vigor.

There is no pleasant meadow in which you can lay down your weary body, rest your head and wait for it all to blow over. You will find no reprieve, not in Iceland, not in Poland, not in New Zealand, not in Argentina, not in Ukraine, not anywhere in the world.

Nor should you, why should you have peace when your other brothers in Europe face certain war? Why should you risk nothing whilst others risk all? Why should others fight for you if you are not willing to fight for yourself?

Don't run from the fight, run towards the fight. Look to the heart of the conflict, march yourself there, press yourself into service. Give your everything to your people.

## **STOP RUNNING, START FIGHTING**

### **Don't leave the cities, run towards the fight, not away**

Run towards the cities, run towards the conflict, run towards the enemy, fleeing from the enemy is cowardice. The countryside are already ours, as they have always been. The people of the countryside are already traditional, already close to nature, already supportive of their people.

It's the cities where the struggle lies, it's the cities where the invaders have massed, it's the cities where the marxists have poisoned the institutions, it's the cities where the traitorous media and corporations lie and it's the cities where the anti-white politicians and the NGOs make their homes.

Invade the cities, take the cities, battle in the streets for the cities. The cities are the economic, judicial, political, ethnic and cultural battleground of our people and it is there we shall wage our war.

The countryside can wait, the cities need you, your youth needs you. Despite how many of you may feel living amongst the pollution, amongst the cultural filth, crammed into tiny apartments in the city sprawls, far flung from man's natural environment. But it is there our future will be made and it is there the battle for our peoples future will be fought.

## **RETAKE THE CITIES, RETAKE YOUR BIRTHRIGHT**

## **Emotions influence more than facts**

Stop trying to persuade the general population with statistics, charts, tablets and figures. A one-point-seven percentage point difference may mean something to a few, but an ingeniously worded expression or brilliantly crafted poster will convince the many.

Humans are emotional, they are driven by emotions, guided by emotions and seek emotion expressions and experiences. Monotonous repetition of immigration facts and statistics will simply bore the masses, and drive the people away from the stale and uninspired speakers that propagate them.

Be creative, be expressive, be emotional and above all be passionate. These are the things that speak to people, connect people, drive people. Paint, write, sing, dance, recite poetry. Hell, even meme. Create memes, post memes, and spread memes. Memes have done more for the ethno-nationalist movement than any manifesto.

Above all, just don't be stale, placid and boring. No one is inspired by Jeb Bush.

**BE PASSIONATE, NOT PLACID**

## **No profits for anti-Whites**

For too long those who have profited most from the importation of cheap labor have gone unpunished. The economic elites who line their pockets with the profit received from our own ethnic replacement. These greed filled bastards expect to replace our people with a race of low intellect, low agency, muddled, muddied masses just so their own wealth and power can increase.

They will soon realize there are repercussions to being a race traitor. These repercussions will hit them hard, fast and without mercy. If they flee we will follow them, if they hide we will find them, if they try to shield themselves behind the state we will break through and reach them.

If an individual is in ownership or control of a corporation or business, and advocates or even accepts the mass importation of non-whites to replace the native European populations, then that traitor must be destroyed.

**KILL YOUR LOCAL ANTI-WHITE CEO**

## **Protect your people, remove the poison**

Poison sellers and toxin spreaders are free to proliferate their baneful products completely unchecked by law or society. Each year these degenerates are responsible for tens of thousands of deaths, in our own cities and across the globe.

Both illegal and legal drug dealers are our racial enemies, ruining the health, wealth, family structure, culture and future of our people. These peddlers of filth are active in every nation and behave without any thought of their impact on their societies.

Find where they are in your cities, plan your attack, destroy them. Protect your people and protect your children. Be the antidote to their poison.

**KILL YOUR LOCAL DRUG DEALER**

## **Europe for Europeans**

The invaders must be removed from European soil, regardless of where they came or when they came. Roma, African, Indian, Turkish, Semitic or other. If they are not of our people, but live in our lands, they must be removed.

Where they are removed to is not our concern, or responsibility. Our lands are not their home, they can return to their own lands or found their homelands elsewhere. But they will not occupy our soil.

How they are removed is irrelevant, peacefully, forcefully, happily, violently or diplomatically. They must be removed.

Until these interlopers are repatriated to their peoples lands, then Europe has no true sovereignty, and anyone, no matter their ethnicity or beliefs can call Europe their own.

**REMOVE THE INVADERS, RETAKE EUROPE**

## **You wait for a signal, whilst your people wait for YOU**

Whilst you wait for a sign; a signal; someone to take up the spear; to cry out in alarm, your people wait on YOU. You are the voice, you are the klaxon call, you hold the first spear to be thrust at the invaders.

Stop waiting for someone else to show you the way forward, YOU are the way forward, waiting around for someone to start the fight is moronic, because it is YOU that is going to start the fight, If you are reading this, you are the new leaders that will push our people to victory, you are the soldiers that will fight for the future of your race. The people speaking now, acting now, fighting now, are the vanguard of the vanguard of the force of the people.

Lead and your people will follow. Show the strength of your convictions, the truth of yours and the iron-hard strength of your will and they will follow.

**YOU WAIT FOR A SIGNAL, WHILE YOUR PEOPLE WAIT FOR YOU**

## **It is never wise to become a minority group**

In every country, on every continent, those that are in the minority are oppressed. If you become a social, political or ethnic minority it will always lead to your oppression.

Whether they are a political minority and therefore lose the control of the majority of power, and thus lose control of the laws and regulations that define public life or those that are the cultural minority find that art in all its forms is created and controlled by a different audience, from a different people from a different history, with differing ideals and experiences and therefore they find themselves isolated, excluded and removed from the creation of contemporary culture.

Those that find themselves born linguistically in the minority suffer daily, as the conversation of life excludes them, the mass media isolates them and businesses turn them away, as does the society's speech itself.

Finally there are those that find themselves in the ethnic or racial minority and find their very own genes being bred out of existence through miscegenation and differing racial birth

rates. The same people will find themselves gradually less and less represented both politically and culturally, becoming essentially foreigners in their own lands.

### **MINORITIES ARE NEVER TREATED WELL, DO NOT BECOME ONE**

#### **Do not allow your enemies to grow unchecked**

When you discover a nest of vipers in your yard, do you spare the adolescents? Do you allow them to grow freely, openly, to one day bite your child as they play in their own yard? No. You burn the nest and kill the vipers, no matter their age.

The enemies of our children are being born in our lands right now, even as you read this. These same children will one day become teens, then adults, voting against the wishes of our people, practicing the cultural and religious practices of the invaders, taking our peoples lands, work, houses and even attacking and killing our children.

An ounce of prevention is worth a pound of cure. Preventing these enemies from reaching adulthood and their full potential of effect is of importance. Why make your children fight, when you could fight in their stead?

Few parents, regardless of circumstance, will willingly risk the lives of their children, no matter the economic incentives. Therefore, once we show them the risk of bringing their offspring to our soil, they will avoid our lands.

It will be distasteful, it will be damaging to the soul, but know that it is necessary and any invader you spare, no matter the age, will one day be an enemy your people must face. Better for you to face them now then your kin to face them in the future.

### **LEAVE NO VIPERS NEST UNBURNT**

#### **Support your brother nations**

When one country moves, you move with them, support them financially, politically, socially and physically. They may be able to discredit one small movement, from one nation. But when Europeans from all countries and continents move to back their brothers, they cannot possibly attack any one group.

The movement may begin in Poland, Austria, France, Argentina, Australia, Canada or even Venezuela, but the movement will begin and when it does, be ready to throw your weight behind your people, with full force.

Support them economically, donate to their cause, buy products from their people, volunteer your resources and labor.

Support them socially, back their policies, attack their detractors, voice upon support to the media and in daily conversations, make it understood on the internet that all European nations support them.

Support them politically, voice support of their leaders, their ideals and their people. Lobby those in power to show your support, protest outside embassies of those nations that do not support the nation, and if need be attack them. Only elect leaders that show support to your brother nation.

Support them physically, be ready to put boots on the ground, send them weapons and munitions, and attack their enemies. If the media or state in your region attacks them, destroy the corporation and traitorous politicians responsible. Physical force is the ultimate form of support.

### **MOVE AS ONE, FULL SUPPORT FOR BROTHER NATIONS**

#### **Accept death, embrace infamy**

Death is certain, you may die in service to some grand crusade or pass away in a hospice, either way you will die.

What matters is your actions during the brief time between birth and death. The worth of your life is not measured by the length of your life, but your actions during it.

Ask yourself now, are you willing to shirk your racial responsibilities? Turn your back to your people? Ignore their demise? All in the hopes of a peaceful death?

Accept death: as it is as certain as the setting of the sun at evenfall. Only when you embrace death and the only thing you will have left to fear is inaction.

Embrace infamy: the enemies of your people will beset upon you, on all sides. The media will paint you as villains, the state will name you as traitors, the globalist forces will name you as criminals and the traitors amongst your people will name you as enemies. You will be infamous until victory is achieved. Take it with a smile.

### **ACCEPT DEATH, EMBRACE INFAMY, ACHIEVE VICTORY**

#### **Numbers aren't everything**

In 2022, we currently have the largest number of people of our race in history (between 760-980 million depending on definitions), yet we are losing even our smallest towns to ethnic replacement.

Numbers aren't everything, ten lions are worth a thousand sheep. The reason we are currently losing our lands is not due to a lack of numbers, or wealth, or military force. It is due to a lack of will.

We could deport or otherwise destroy the entire population of invading non-Europeans in a week, if we as a race we chose to. We have the ability, we only need the will.

Focusing on increasing the population of whites, or trying to gain economic wealth or military might, whilst already having met the requirement of numbers, wealth and military force needed is simply a stalling tactic, spoken and put forth by men too cowardly to do what is required.

These men would stall and delay any action indefinitely, until all necessary action has been undertaken by some other, more courageous man. All so they need not carry any personal risk or struggle themselves.

Ignore the naysayers and weasels who will always repeat "Not Now! Just Wait! Not Yet! We Could Be Hurt!" for them the time will never come. Just as their own courage will never flower forth.

## **THE BEST TIME FOR ATTACK WAS YESTERDAY, THE SECOND BEST TIME IS NOW**

### **The birth rates must eventually be addressed, at all costs**

Even if all invaders are deported tomorrow and all traitors are dealt with as they truly deserve, we are still living on borrowed time.

Whether it takes ten years or a thousand years, whilst we are facing birth rates at sub-replacement levels, then our people are dying.

We grow older, fewer, weaker and more fundamentally closer to true death the longer we allow our birth rates to remain so catastrophically low.

This isn't an issue that is being faced solely by our own people, but by many people across the world. Nations across Asia, Europe and the Americas are facing this disaster together. Some are at different stages than others but all are feeling the pressure.

The true question is, how did this happen? And what can we do to stop it? The only people that seemingly do not face such issues are those with strong traditions, gender norms, societal norms; the poor and the religious, usually a combination of all. This should give us an indication of what may be truly at the heart of the issue.

What can we do to fix it? The issue is complicated, far more complicated and it is more difficult to fix than the issue of Ethnic replacement. Likely a new society will need to be created with a much greater focus on family values, gender and social norms and the value and importance of nature, culture and race.

### **WITHOUT CHILDREN, THERE IS NO FUTURE**

### **There is no democratic solution**

Understand here and now, there is no democratic solution, any attempt to vote your way out of Ethnic replacement will be met with at first with derision, then contempt and finally by force.

This solution of a Democratic salvation is nothing but a pipe dream, and as our enemies increase within our lands, driven by mass immigration and the invaders own higher birth rate it will be pushed further and further into the realms of impossibility.

The media of the world will be used against you, the education system of the rulers will be used against you, the financial power of the worlds corporations will be used against you, the military and legislative might of the UN, the EU and NATO itself will be used against you and even your own, previously corrupted, religious leaders will be used against you.

Democracy is mob rule and the mob itself is ruled by our own enemies. The global and corporate run press controls them, the education system (long since fallen to the long march through the institutions committed by the marxists) controls them, the state(long since heavily lost to its corporate backers) controls them and the anti-white media machine controls them.

Do not suffer under the delusion of a democratic victory, prepare for war, prepare for violence and prepare for risk, loss and struggle, as it is the only path to victory.

## **VOTING IS MOB RULE AND MOB RULE IS MEDIA RULE AND MEDIA RULE IS CORPORATE RULE**

### **NGOs are directly involved in the genocide of the European people**

Beholden to no one and hiding their true intent behold a faux-religious facade, these NGO groups ferry the invaders to European shores aboard their own vessels, directly shipping this vast army straight into European nations to plunder, rape and ethnically displace the native European people.

Meanwhile they badger, trick and guilt-shame the European people into forfeiting their own hard earned income and giving it directly to their peoples cultural and ethnic competitors, many of which have the only intent of conquering and destroying the European peoples.

This stripping of wealth and prosperity in order to feed and develop our cultural competitors is an act of civilization terrorism resulting in the reduction in development and living conditions of our own people for the benefit of those that hate us.

More often than not these NGOs hide their true intentions behind a facade of religiosity and only once you investigate into the leadership and governance of the NGO itself do you find the people running the show are in fact far from religious themselves and more often than not are actually atheistic cultural marxists using naive Christian Europeans to both labor and fund their own attempt at class and racial warfare.

These NGOs are the modern money changers inside the church, and must be driven out, by voice or by whip. It may upset many, but the truth of the matter is these people are directly responsible for the current invasion and sacking of Europe and their treachery has damaged European prospects greatly.

Crush these traitor NGOs, kill their leadership, burn down their buildings, bomb their ships, tear down their posters and destroy their membership. Drive them from your lands and give the traitors what traitors deserve: a traitor's death.

### **NGOs ARE TRAITOR ORGANIZATIONS**

### **If you lose, history will write you as monsters, regardless of your tactics. Win first, write the narrative later.**

Victors write the history and the writers of history control the cultural climate of the present time.

If you lose, no matter how you acted in your loss; whether that is heroically, cowardly, violently, peacefully, virtuously or criminally, if your enemies are writing the history they will describe you as a devil.

Do not fret on the manner of how victory is achieved, all methods are possible, in the face of ethnic genocide, all morality is ambiguous.

Win first, write the story later. An act, which morals you doubt in the present, will be right by your people in wonder and admiration in the books of history.

**YOU WILL BE REVERED, BUT ONLY IF YOU WIN.**

## **When anyone can be a German, a Brit, a Frenchmen, then being European has truly lost all meaning**

Make no mistake, the erosion of local and national identity has not come about by accident, it is a concerted and targeted effort against the European people.

The idea that a Frenchmen need not speak the language, share the culture, believe in the same god or even more importantly be ethnically French is ludicrous in the extreme. This is an attack on the very French people themselves and is a strategy designed to destroy national, cultural, linguistic and ethnic unity.

This is a tactic practiced not only on the French people, but on all the peoples of Europe, effectively destroying the nation's identity at its core and smashing apart all bonds which a successful, unified nation is built upon.

A Moroccan may never be an Estonian much the same as an Estonian may never be a Moroccan. There are cultural, ethnic and RACIAL differences that make interchanging one ethnic group with another an impossibility.

The idea that all it takes for a Han Chinese man to become German is to be born on German soil is as insane as a German born on Mars becoming a Martian.

Europe is only Europe because of its combined genetic, cultural and linguistic heritage. When non-Europeans are considered European, then there is no Europe at all.

### **EUROPE'S VALUE IS IN THE EUROPEAN PEOPLE**

## **The time after the baby boomers have passed isn't the time to START acting, but the time we should be FINISHING our victory.**

It is understood by many that the only real reason that many statistics of our ethnic replacement haven't yet matched with our reality is that numbers are currently buoyed by the baby boomer generation.

As these baby boomers pass on and leave us behind, there will be a rapid and obvious change in the demographic makeup of our nations, both statistically and socially. This rapid change in demography will bring about a time of crisis, as the reality of our possible ethnic replacement becomes obvious to all, even the naysayers. This time cannot be relied on for a beginning of the rebellion, only utilized as a final stage of energy and escalation to finalize our capture of power.

If we wait until the majority of the boomers begin to pass (between 2028-2038 depending on individual nations and life expectancies) then it will be too little, too late. As by this time the invaders and occupiers of lands, non-Europeans, numbers will swollen to a staggering size, due to both mass immigration and the differing birthrates between the native European people and these invaders.

Also, relying on this time period for our victory holds a second major disadvantage, that being vulnerability to foreign invasion, most likely from the east, specifically China; Turkey; India or some combination of the three. This time of possible instability will also be at a time where our potential nation enemies in the East will be reaching their own zeniths of power. We

must not be in a chaotic, life or death civil war at a time when our rival nations are at their peak of dominance. The risk is too great.

We attack as soon as possible, we attack with force and we achieve stability and play defense as the boomers pass, not during their passing, not after.

**VICTORY CANNOT WAIT, YOUR PEOPLE NEED YOU NOW!**

### **From where great leaders arise**

The men and women needed by a society in crisis are created by a greater societal group though, they arise from their environment, from their folk, seeming springing forth from the people as if they were waiting for the moment. They are not so much born as made to be what is needed of them by the greater group thought occurring around them.

These leaders will be paragon examples of your people, virtuous, incorruptible, speaking truth to power and a truth that resonates with your very soul.

**WHEN YOU SEE THEM; WHEN YOU HEAR THEM; YOU WILL KNOW THEM, AS THEY ARE YOU, AND YOURS**

### **Do nothing, win nothing, achieve nothing**

Inaction will lead to sure defeat. Sitting at home comfortably, relaxed, posting on the internet, watching football and waiting for victory to arrive at your feet, will win you nothing.

Without overwhelming effort and extreme risk, expect nothing.

You cannot expect others to take the risks for you, nor should you wish for others to labor for you, if you are unwilling.

The only option for a true man or woman of Europe is to labor, labor with all effort towards victory. Nothing else will do. All else is insufficient. All else is intolerable. All else is dishonorable.

Perhaps you could tap out, lay down, lick the boots of your occupiers and pray they will let you be comfortable, if only for a little while.

But you won't. You can't. Not if you know what I know and want for what we want.

You will risk, struggle, strive, drive, stumble, fall, crawl, charge and perspire, all in the name of victory. Because you cannot accept anything less.

**WITH RISK COMES POSSIBILITIES, WITH POSSIBILITIES COMES CHANCE FOR VICTORY**

### **Destabilization and accelerationism: tactics for victory**

True change and the change we need to enact only arises in the great crucible of crisis. A gradual change is never going to achieve victory.

Stability and comfort are the enemies of revolutionary change.

Therefore we must destabilize and discomfort society wherever possible.

A political candidate that keeps the status quo or only seeks to introduce minimal change, even when the minimal change is in support of our cause, is ultimately useless or even damaging. Revolutionary change is needed and above all necessary.

It is far better to encourage radical, violent change regardless of its origins. As only in times of radical change and social discomfort can great and terrific change occur.

These tumultuous times can be brought about through action. For example, actions such as voting for political candidates that radically change or challenge entrenched systems, radicalizing public discourse by both supporting, attacking, vilifying, radicalizing and exaggerating all societal conflicts and attacking or even assassinating weak or less radical leaders/influencers on either side of social conflicts.

A vote for a radical candidate that opposes your values and incites agitation or anxiety in your own people works far more in your favor than a vote for a milquetoast political candidate that has no ability or wish to enact radical change.

Canvas public areas in support of radical positions, even if they are not your own.

Incite conflict. Place posters near public parks calling for sharia law, then in the next week place posters over such posters calling for the expulsion of all immigrants, repeat in every area of public life until the crisis arises.

Destabilize, then take control. If we want to radically and fundamentally change society, then we need to radicalize society as much as possible.

**DO NOT FEAR CHANGE, WE ARE CHANGE**

### **Globalized capitalist markets are the enemy of racial autonomists**

If an ethnocentric European future is to be achieved global free markets and the trade of goods is to be discouraged at all costs.

An environmentally conscious and moral society will never be able to economically compete with a society based on ever increasing industrialization, urbanization, industrial output and population increase.

The cheaper labor and ignorance of environmental health will always result in cheaper goods produced with less effort and inevitably result in control of the market.

A Europe of nature, culture and sustainable living practices will not be able to ever compete in the global market.

The global market thus never be allowed to compete in the new European market. Barring the importation of all goods produced outside the New European zone (the new Western world) is an essential pillar of the future Western economy.

Goods produced without care for the natural world, dignity of workers, lasting culture or or white civilizations' future should never be allowed into the new morally focused and ethically focused European market.

**CHEAP LABOR AND ALL CONSUMING INDUSTRY ARE NOT IDEALS, BLOCK FOREIGN GOODS FROM WHITE MARKETS**

## **Break the back of cheap labor**

Make no mistake, the major impetus for the mass importation of non-Europeans into Europe are the call and want for cheap labor. Nothing drives the invasion more and nothing needs to be defeated more than the greed that demands cheap labor.

Break it's back, anyway you can.

Whether that is by encouraging and pushing increases to the minimum wage; furthering the unionization of workers; increasing the native birthrate and thereby reducing the need for the importation of labor; increasing the rights of workers; pushing for the increase in automation or advancement of industrial labor replacement or any other tactic that is available.

In the end human greed and the need for increasing profit margins of capital owners need to be fought against and broken.

## **CHEAP LABOR IS SLAVE LABOUR, REFUSE TO IMPORT MODERN SLAVES**

### **A boil over in the melting pot**

Civil war in the so-called "Melting pot" that is the United States should be a major aim in overthrowing the global power structure and the Wests' egalitarian, individualist, globalist dominant culture.

In the United States, perhaps more than anywhere else in the world, the cult of the individual has been practiced for the longest time and with the deepest devotion.

Luckily for us, the end results of this deracialized, irreligious and deculturized program show themselves.

The United States is in turmoil, more so than at any other time in history. States hate other states, the electoral college is under attack at every turn and the races are at each other's throats. On top of this is a two party political system, split by racial, social, cultural, linguistic and class divides.

The end result is a nation in gridlock, unable to respond to any great change, unable to commit to any great projects. A political and social stalemate that makes any advancement impossible.

Meanwhile the 10000 ton boulder of demographic change rolls ever forward, gaining momentum and possibly destroying all in its path. Eventually, when the White population of the USA realizes the truth of the situation, war will erupt. Soon the replacement of the whites within Texas will hit its apogee and with the non-white political and social control of Texas; and with this control, the electoral college will be heavily stacked in favor of a democratic victory so that every electoral cycle will be a certainty.

After an election cycle or two with certain Democratic victory, those remaining, non democratic voting, non brainwashed whites will see the future clear before them, and with this knowledge realize the impossibility of a diplomatic or political victory.

Within a short time regular and widespread political, social and racial violence will commence. In this tempest of conflict is where will be strike, a strong, unified, ethnically and culturally focused pro-white, pro-european group will be everything the average white family

needs and long for. With these boosted numbers, and with our unified forces, complete control of the United States will be possible. Above all, be ready for violence, and when the time comes, strike hard and fast.

## **THE MYTH OF THE MELTING POT MUST END, AND WITH IT THE MYTH OF THE EGALITARIAN NATION**

### **No taxes to anti-white states**

Until our nations are run by men and women loyal to our cause, taxation should be considered theft, and refusal to pay taxes a sign of racial loyalty.

Giving your own earned wealth, which you received through your own labor, to a person or group that despises you, places laws into effect that disenfranchises your people and seeks to ethnically replace you is utterly foolish. Do not pay to have your people destroyed, do not line the pockets of the traitors within our ranks, don't lend support to a corrupt and broken state.

Refuse to pay taxes. Refuse. Do whatever you can to prevent them from stealing your hard earned resources.

Pay farmers directly for food. Shop at local stores and buy from others that also refuse to pay taxes. Go to flea markets and pay for items there.

When they demand you pay, refuse. When they ask why, you tell them why. They will threaten you with jail, they may even threaten you with direct force. They may even go through with your imprisonment or physically harm you. But eventually, when enough people fight back and refuse to pay taxes, refuse to fund the traitors in power, the state itself will wilt, then collapse.

So take the prison time, take the beating or even fight back. But do not pay taxes to anti-whites.

## **TAXATION IS THEFT IN A TRAITOROUS SYSTEM**

### **Conclusion**

There is only one victory, but many defeats.

To lose our lands, our culture and our people is a defeat.

To continue on without our culture, but still own our lands, is a defeat.

To survive with our culture, but to lose our lands, to lose our future, is a defeat.

There is only one victory.

The survival of our people, our culture and our lands isn't enough. We must thrive, we must march ever forward to our place among the stars and we WILL reach the destiny our people deserve.

Anything else is a defeat.

The war will not be easy, the death toll will assuredly be high. The going will be tough and many of us will die.

I cannot guarantee it will be comfortable, I cannot guarantee it will be easy and I cannot guarantee that every act will be a success.

All I can guarantee is that inaction is sure defeat, power structures will be tested and likely will fall and most of all there is only the future ahead and attempting to march back to any earlier time will get you nowhere at all.

You may stumble. You may fall. But the only way to get to the final destination, total victory, is to get up and keep marching forward. No matter what. March.

Mistakes will be made, losses will be had, some failures are certain and some endeavors will go bad.

But in the end the struggle is a beauty in itself, and the victory will be all the sweeter because of it. Final victory is yours, if you have the will for it.

As for me, my time has come. I cannot guarantee my success. All I know is the certainty of my will and the necessity of my cause. Live or die, know I did it all for you; my friends, my family, my people, my culture, my race.

Goodbye, God bless you all and I hope to see you in Valhalla.
